LONE MAN'S HOME BURNED TO GROUND

Last Saturday George H. Riley, living on R. F. D. No. 1, on the Eagle Point road, had the misfortune FOR SALE-Two 10-acre tracts to lose his home and all its contents by fire. Mr. Riley does not know the exact cause of the blaze, but believes it to have occurred from the ashes thrown from his pipe. He had been in the woodshed smoking, and shortly afterwards the building was in flames. Mr. Riley was there all alone and could do nothing to extinguish the flames. The building and its contents were consumed and the loss was total, as no insurance was carried.

Sage for Darkening the Hair.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderfully beneficial effect. Nowadays we don't have to resort to the old-time, tiresome method of gathering the herbs and making the brew. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product. Wyeth's Sage and Sulphur, containing sage in the proper strength, with the addition of sulphur, another oldtime scalp remedy. This preparation is sold by all first-class druggists for 50e and \$1 a botttle, or is sent direct by the Wyeth Chemical Com-City, upon receipt of price. For sale and recommended by Leon B. Haskins.
