"Count that day lost, whose sun, descending fast, Views from thy hand, no bunch of ballots cast."

—From the Lyrics of the Contest Editor.

SPECIAL NOTICE.

The contest manager wishes it distinctly understood that the mere changing of names of parties who are already taking the paper does not make them a NEW subscriber. These names are all checked up and if OLD subscribers are marked NEW the entire ballot will be destroyed in the count. Be sure they are NEW or OLD.

IN PRESENTING THE STANDING TODAY OF THE CANDIDATES IN THE GREATEST POPULARITY CONTEST EVER CONDUCTED BY ANY NEWSPAPER IN SOUTHERN OREGON, IT WILL BE INTERESTING ALIKE TO PATRONS AND CANDIDATES TO NOTE THAT MANY CHANGES HAVE TAKEN PLACE IN THE RELATIVE POSITIONS OF MANY OF THE CANDIDATES.

The well-laid plans and the energetic campaigns of the contestants are bearing good fruit and the contest is a good indication that all can do as well in every community there is a golden opportunity for some energetic woman to enter the contest with enthusiasm and win the honor of being awarded a valuable prize.

There are many ways in which a candidate may secure the aid of friends, principal of which is by personal calls upon them. The leaders in the campaign for votes may have their friends aiding and assisting them in many ways. Each person has a circle of friends who are always glad to render any aid, and by enlisting the co-operation of a large number of persons in such campaigns the circle of sphere and the influence of the candidate is increased and that is what gives a candidate a backing that can be depended upon for many votes.

With the passing of each day the interest in the Mail Tribune's great free voting contest is growing. Every day new candidates file their nominations and enter the contest, and there is still plenty of opportunity for many more.

The popular free votes are pouring into the office in such a stream that it keeps an augmented force of clerks busy all day and far into the night crediting them to the candidates. The votes shown on the following list are those received up to yesterday noon. The revised list is published every day, and every person has the opportunity of nominating a friend, or so desired, you can place your own name before the voters. Nominations are free. Votes are free and the magnificent list of prizes will be absolutely given away. See the voting schedule published daily. Check over the magnificent list of prizes for your favorite if it is not named; if not, make a nomination at once. The contest that you do not understand, write, call or telephone to the contest manager, for he will be pleased to give your requests prompt attention.

A great many people do not understand, and for their information we wish to say that any one starting to take the paper to the contest will be considered a new subscriber during the life of the contest and votes given accordingly. If you start the paper now and pay something in advance and wish to pay more later during the contest you will still be considered a new subscriber and votes will be issued accordingly.

Candidates in any locality that are in no way receiving a free vote are subscribers in any locality that they may wish, for instance: A candidate in district No. 1 may secure subscribers in the other district, in fact, candidates may secure subscribers wherever they can get them.

Great Special Offer. For ten days only, beginning Wednesday, September 14, and ending Saturday, September 24, at 11 P. M. last day, the votes given on subscriptions according to the schedule, we make the contestants the following offer:

We will give to each and every contestant an extra ballot of 100,000 votes who turns into the Mail Tribune office five new twelve-months daily subscriptions beginning Wednesday, September 14, and Saturday, September 24. We will give each and every contestant an extra ballot of 50,000 votes who turns in five new six-months daily subscriptions between the above dates. This is your chance to catch the leaders. Take advantage of it. Nearly 500,000 extra votes for six months.

Future Subscriptions. Contestants may find in some cases friends who wish to help them in the contest by subscribing to the Mail Tribune, but are already taking a local paper, which is paid in advance and not desiring to receive more than one local daily in their home at the same time,

the contest department has arranged to accept and issue votes on all such subscriptions, the paper to start at any date the date that the subscriber may designate.

Special Information.

In view of the fact that a great number of the contestants do not seem to understand that the nomination blank can be used as many times as the contestant is able to obtain the blanks, all that is necessary to place on the nomination blank is the contestant's name and the district in which she belongs. It is to the advantage of each contestant to save the nomination blanks the same as the small coupons.

Open Evenings. For the benefit of those who are not able to get to this office during business hours, the Contest Department will be open every evening until 9 o'clock.
