

# Newsy Notes from Rogue River Valley Towns

## Butte Falls Items

The Dupray hotel is advertised for sale, and some one will get a bargain in purchasing this place, as it is ideally located and has a good patronage and the buildings are all new.

Mrs. Barritt, our kindergarten teacher, has located herself in the Boughton residence.

Frank Netherland has about finished his house to that extent that he will move his family into it this week. It is a nice, comfortable home.

The weather here is quite cool and on Wednesday we had quite a frost and all indications of rain have vanished, leaving the atmosphere still enveloped with the smoke from the fires.

Our merchants are working out the problem of computing sales with the Angle-Ida scales, with which all of our stores are supplied, as this is a move toward modern conveniences and insures correctness to both buyer and seller.

John Cunningham accompanied Mr. Mathews to Medford, and both will return with a load of freight and store goods.

The railroad has about completed its long bridge and ran the first car over it lately and carried rails beyond for the equipment of the track to the falls. It will be but a short time before we will hear the rattle of trains and things will take on anew and different color.

A. J. Clarno moved his household belongings out on Tuesday and will not return, other than to occasionally make trips to dispose of his truck.

The son of J. P. Hughes, who has been living in Portland and working there, has come to Butte Falls and taken a position in his father's store.

The Crater Lake Lumber company is hauling slabwood to the railroad track so as to ship it to Medford to sell for firewood.

Our mill is busy getting out railroad ties and delivering them along the right of way.

The public school opened on Monday with an increased attendance, as many new families have come into our community and nearly all with children of schoolable age.

### FAIR EXCHANGE.

### A New Back for an Old One—How It Is Done in Medford.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame to stoop is agony. No use to rub or apply a plaster to the back in this condition. You cannot reach the cause. Exchange the bad back for a new and stronger one. Follow the example of this Medford citizen:

Mrs. William Charley, Grape street, Medford, Or., says: "The public statement I gave in praise of Doan's Kidney Pills in 1907 still holds good. I occasionally take this remedy now and I find that it keeps my kidneys in proper working order. A fall was the cause of kidney complaint in my case. The kidney secretions were unnatural and sometimes I had such acute pains in my back that I could hardly bend over. I did not sleep well and despite the use of plasters, liniments and remedies of various kinds, I continued to suffer. While in that condition, Doan's Kidney Pills were brought to my attention and, procuring a box at Haskins' drug store, I began their use. In about two weeks I felt better and the contents of four boxes of this remedy made me well. I have recommended Doan's Kidney Pills to many other people."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

### FLOOR LAYING A SPECIALTY.

Mr. Contractor and Builder: We do all kinds of hardwood flooring, laying, scraping and polishing. We are agents for the celebrated Mosaic Tile Co., and lay tile floors, walls, hearths and mantles. All work is strictly guaranteed. We make a specialty of scraping fir floors. T. G. Lowry, the tile and floor man. Res. 336 E. 8th street. Phone M. 3231. tf

### WOMEN GROW YOUNGER.

When Dandruff Goes and Hair Grows Abundantly.

Parisian Sage, America's greatest hair restorer, will keep you looking young and attractive.

Duff Karnes and Painter Eric are making improvements to their homes by building additions.

H. D. Mills is in the valley and looking, incidentally, after the proposed incorporation of Butte Falls. If the town is incorporated it is more than probable it will have to be done over again, as there is a proposed law to be voted on which makes material changes in the present law, and then again, heavy indebtedness will be created and increased, and this must be met by the present property-holders. Again, the commission plan is the law which eliminates all graft and gives an economical administration. We believe that the present move is untimely and lacking in harmony and unity of action.

Jim Winger has given up stacc driving and John Smith has taken his place.

Mr. Schweihart of Derby has been hauling shakes for some new buildings, for his store, as his business, is increasing so rapidly that he must have more room.

The water difficulty between Mr. Edmonson and Mr. Castor has been amicably adjusted and the mill will be run regularly by Mr. Edmonson.

John Snowell and sons have been visiting in town and trading with the merchants. Mr. Stowell is now located on a ranch in the Willow creek section.

Wana Parker is confined to his house with sickness, which, while not serious, yet incapacitates him from working.

C. E. Wolverton came in from his homestead and replenished his larder and immediately returned home, as he does not waste time in loafing, but strictly attends to business.

We had a nice but small rain on Monday night and there are strong indications that we will have a good downpour, which will wash the air and extinguish the forest fires around that are still smoldering.

Miss Jennie Mahoney, who has been quite sick with a severe cold, is up and around.

Quail are said to be more numerous this year than for many years past and the boys are priming up their shotguns.

It is guaranteed by Chas. Strang to make hair grow and stop falling; to cure dandruff in two weeks; to stop itching of the scalp almost instantly.

Parisian Sage is the most invigorating, satisfying and pleasant hair dressing made. It is not sticky or greasy, it makes the hair soft, luxuriant and handsome; it is especially praised by women who love beautiful hair. Parisian Sage is for sale by Charles Strang at 50 cents a large bottle. The girl with the auburn hair is on every bottle.

## WYETH'S SAGE AND SULPHUR HAIR REMEDY

Grew a Full Growth of Hair on a Bald Head

### Here's the Proof

For two or three years my hair had been falling out and getting quite thin, until the top of my head was entirely bald. About four months ago I commenced using Wyeth's Sage and Sulphur. The first box seemed to do some good and I kept using it regularly, until now I have used four bottles. The whole top of my head is now fairly covered with hair and it keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.

That a telephone is useful is best known when your family is sick and your phone is out of order. Such has been the case with more than one subscriber of the Phoenix Telephone company this last week, and now that it is raining, will make matters worse still.

The new steel bridge across Bear creek, leading to the big settlement on the north and east side, and just below Phoenix, is progressing rapidly. This bridge has been an absolute necessity to may heavy taxpayers for years, and will open up a big territory of rich farming land.

Henry and Oliver Helms of Talent have both built a fine residence on small tracts of land which are a part of the old James Helms place. Each one of these new residences is up to date in every way, with all modern conveniences. James Helms himself has become helpless and is in a private sanitarium in San Francisco.

## Central Point Items

The question of sewer or pavement is now before the house in Central Point and it looks as though the sewer men have the best of the debate.

O. B. Nash, who for some time was the popular proprietor of Nash's restaurant in this place, left Saturday morning for Creswell, this state, where he expects to reside in future. Mrs. Nash and their young son preceded him several days ago. We will all miss O. B. Nash. He was a hale fellow well met and the best wishes of all Central Point go with him.

Joe Selby of Tolo was in Central Point Sunday, merely taking a pleasure drive about the country.

From the point of the political compass it looks as though there will not be a dozen Hawley votes in Central Point precinct. The people down this way are saying "Mulkey," and

saying it pretty loud.

M. G. Womaek and H. G. Parker were here on business from Gold Hill Monday. Mr. Parker and associates have purchased the Medford-Gold Hill mining claim and are preparing to develop it.

Quite a heavy rainfall here on Monday evening, and the weather prophets are busy on the winter question. William Mayfield, who sold his residence to S. H. Murray, has moved into another cottage near the school house.

Simpson Wilson, a contractor and builder who recently arrived here, purchased today a fine residence lot in Oak Park addition and will build a modern bungalow at once.

Mrs. E. Pleasant has opened a new millinery store in the Walker block over the Quality store.
