### SPECIAL NOTICE.

The management of the Mail Tribune has decided to reduce the subscription price during the contest from \$6 a year to \$5 per year for papers delivered by carrier. Beginning today subscribers to the Mail Tribune paying in advance will pay only \$5 per year. This reduction is good only during the contest. See price and vote schedule on this page.

The special offer for new subscribers made to all contestants closes tomorrow (Saturday) evening at 11 o'clock. In order to have subscriptions count on this special offer all subscriptions must be received at the Mail Tribune office by this hour. In order to give the girls in the territory outside the city the same amount of time to work as those in the city, the management will accept all subscriptions that are mailed before 11 o'clock Saturday evening, but the envelope or package in which these subscriptions are sent must bear the postmark of the date and hour mailed, together with the postmaster's name and date and hour mailed written on the outside of the envelope.

Each and every nomination blank that is sent from the Mail Tribune will count twenty votes, and a candidate can be nominated as many times as she can get blanks. After a candidate has been nominated in the contest, it is not necessary to have the nomination blanks signed.

Never in the history of Medford and surrounding country has there been anything in the contest line that has caused the intense enthusiasm that the Mail Tribune's great up-to-date voting contest is creating.

Whenever you go you will hear the people talking about the different contestants. Where does she stand today—has she gained that much—and other like expressions. All this goes to show that every one is talking about this contest and wondering who will win.

The girl who is wise enough to realize that a new subscriber will bring her just double the amount of votes that an old subscriber does is the one who will stand a far better chance of winning the grand prize at the close of the contest. Energetic and sure to win is the way we describe her, the girl who comes in with the new subscribers.

The contestants in the outside districts can send in the subscriptions as soon as secured and the votes to which they are entitled will be mailed to them and can be voted at once or saved by them for a reserve. By doing this the paper can be started to the subscriber at once, which will enlarge your campaign.

The contest manager is at the Mail Tribune office and is prepared to answer all questions of those who call or write to him. Call on the contest manager and he will prepare you for making a campaign that will accomplish wonders.

**Receipt Books.** If any contestant has not received a receipt book to aid her in making collections, we will be very glad to send her one on receiving the request. We can also supply the candidates in district No. 2 with lists of our subscribers in your locality, so you will know who are now taking the Mail Tribune. These receipt books are a very handy thing to have, as some of your friends may want to pay you and then you will be able to give them a receipt for their money.

**Great Special Offer.** For ten days only, beginning Wednesday September 14 and ending Saturday, September 24, at 11 p. m., in addition to the votes given on subscriptions according to the schedule, we make the contestants the following offer: We will give to each and every contestant an extra ballot of 100,000 votes who turns into the Mail Tribune office five new twelve-months daily subscriptions between Wednesday, September 14, and Saturday, September 24. We will give each and every contestant an extra ballot of 50,000 votes who turns in five new six-months daily subscriptions between the above dates. This is your chance to catch the leaders. Take advantage of it. Yearly subscriptions count two for six months.

**Everything Fair and Equal.** In the city of Medford the interest is such that friends of candidates call at the office to learn how some friend is progressing and letters of inquiry are received by every mail. Now all candidates are entering the contest, and without a doubt it will be the greatest voting contest ever conducted by a newspaper in Southern Oregon.

Check over the list, see what your friends are doing and who will probably win the magnificent array of prizes.

**Open Evenings.** For the benefit of those who are not able to get to this office during business hours, the Contest Department will be open every evening until 9 o'clock.

**DISTRICT NO. 1.** Includes all the territory in the city of Medford.

# FRED W. MEARS

FOR STATEMENT NO. ONE. PROGRESSIVE REPUBLICAN CANDIDATE FOR STATE REPRESENTATIVE ONLY DECLARED ANTI-ASSEMBLY CANDIDATE FROM JACKSON COUNTY.

Fred W. Mears was born at Newton Centre, Mass., on April 15, 1873. His father, who had served in the Union army, died in 1885, leaving a wife and three young children.

Fred W. Mears attended the public schools of his native town and later graduated from Brown university and the University of Michigan Law School. He worked his way through college and law school by teaching school, canvassing books and doing many other kinds of work.

He practiced law in Sioux City, Ia., for seven years before coming to Medford, where he has his law office at 213 Fruitgrowers' Bank building.

I am for Statement No. 1 and the rule of the people. I favor free textbooks, Normal School at Ashland, good roads, initiative, referendum and recall.

I am Anti-Assembly and against corporation rule. I stand for all portions of Jackson County fairly and impartially. I stand for those political and moral principles which will uplift the community, the state and the nation.

EVERY PROTEST AGAINST WRONG IS INSURG- ING FOR THE RIGHT.

## Save \$25,000 a Year By Voting a Flat Salary for the State Printer

## William J. Clarke

REPUBLICAN, FLAT SALARY CANDIDATE FOR STATE PRINTER.

William J. Clarke, only Republican, Flat Salary candidate for State Printer, would save \$25,000 to the State annually which now goes into the pocket of the State Printer.

Has had over 30 years' successful experience in the printing and publishing business and a lifelong Republican.

Favors economy and retrenchment in state government. Opposed to extortionate fee system.

Read his argument in the Corrupt Practices pamphlet on page 26 and be convinced that he means what he says, and will save money to the State if he has the chance to do so.

The people of the State decreed this great reform in 1906 and why is it not carried out? Every other state office is on a flat salary. Why not the State Printer? This is the last relic of the vicious fee system in Oregon. Wipe it off the statutes by giving Wm. J. Clarke your Primary vote September 24, 1910.
