# HISTORIC TOWER NOW THING OF THE PAST

The old water tower on West Main street is no more. It has been completely wrecked and except for a small heap of iron that has not been hauled away and the smoldering fire in which the useless lumber was burned, nothing remains to remind one of this historic old structure. Soon the black, barren spot on which the tower stood will be planted to grass and will lose itself in the verdure of the surrounding lawn.

Miss Geraldine Theiss will appear in song solos, on the society vaudeville program at the opera house next Friday evening, September 30. Miss Theiss studied for some time with Professor Gens, well-known as an instructor and musician, at San Francisco, and has a mezzo-soprano voice of unusual range and attractiveness. On Friday evening she will make her first appearance in Medford as a vocal soloist.

# BIG REALTY DEAL IN CENTRAL POINT

CENTRAL POINT, Or., Sept. 28.—On Thursday a deal was closed with Jones & Hefflin for lots 1, 2, 3, 4, 5, 6, in block 3, Oak Park addition, the consideration being \$1300. It is understood A. W. Moon took over two of these lots, but Jones & Hefflin will improve the others.

Friday morning G. W. Jeffers closed a deal for lots 1, 2, 3, block 4, the consideration being \$700. These are extra fine residence lots and it is probable Mr. Jeffers will improve them in the spring. The season is growing late and builders are so busy it is difficult to get a contract taken with agreement to complete it before bad weather.

Oak Park property is fast becoming the favorite residence section. The high, slightly location, fine view of mountains and valley, rich soil and close proximity to the business center tend to make it popular with those who are contemplating building good homes and insure rapid advance in values.
