

# Classified Advertising Gives to Your Offer or Your Want Highly Specialized Publicity

## To Find More Profitable Work for your Brain, Your Hands or Your Dollars

### --- "Work for the Want Ads" ---

This sort of work is a part of the "usual usefulness" of the classified ads. They accomplish so much of it—at so little expense, with so little delay—that other ways of finding work for either people or money are going out of use.

## COMICE, SECONDS

### AVERAGE \$3.75 BOX

NEW YORK, Under date of Sept., 1910, and Day says:

Apples: First Jonathans of the season are here, one car from Payette auctioned to average \$2.60. We sold one car from Yakima, well colored and A-1 Jonathans to average \$2.63, and are selling today another car from the same section but it is lacking in color although of good quality and good pack, \$2.25 to \$2.50. Market very strong and we do hope that you are shipping us Jonathans, which by this time should have a goodly color. Shortly you can commence on the next varieties of red apples that you will have and the look for us is promising, only be careful about color as well as quality.

Pears: Small arrivals and strong market. Car of California Comice half box, \$2 to \$2 1/2. Another same at \$2 1/4 to \$2 1/2. Today we sold D'Anjous from the same district that touched \$4.55 and averaged \$3.80, also a car from Medford of D'Anjous to average \$4.00. Also car mostly seconds, boxes, from Medford \$3.75. Positively very few winter pears to come from California, and pears will surely bring good prices here, so let them come.
