#### SPECIAL OFFER NOTICE.

The Mail Tribune is giving a special offer to their old subscribers. All renewed subscriptions that are paid before Saturday evening, Oct. 8, will receive the same number of votes as new subscribers. Besides receiving double votes a bonus of 50,000 extra votes will be given for every 60 months of renewal subscriptions turned into the Mail Tribune office. See display ad.

Only two more days of this week remain in which old subscribers may take advantage of the special offer made by the Mail Tribune by which they may be of material assistance to their friends in the great contest now being conducted by this paper. Judging from the alacrity with which old subscribers have seized this opportunity to aid their favorites in the contest, it is safe to predict that these efforts will be directly responsible for the winning of some of the splendid prizes.

It is little wonder therefore that it has been taken advantage of in such marked degree. The offer will not be repeated during the contest, so it behooves all who would lend a helping hand to their young women friends—and who is there that has not from one to a score of favorites in this great race—to get busy and give their renewals to the favorite daily of Medford. This offer consists of the awarding of extra votes for any candidate in the race for renewal of old subscriptions. The only condition is that the payments therefor be for cash in advance. The scale is most liberal—just the same as for new subscribers. The scale ranges from 700 votes for one month to 15,000 for one year, and 40,000 for two years. Just two days remain in which you may assist the young women, and in reality it costs you nothing for the paper you would not be without under any circumstances. So call up your favorite and give her your renewal, or remit direct to the Mail Tribune office, indicating to whom the votes shall be given, and they will be placed to her credit on the poll books. It may mean an automobile, piano, diamond ring, scholarship or a gold watch. Do not wait until the last moment, but give your extension to your favorite candidate NOW. There are only four days more remaining and she will be working overtime the last day, anyway, getting those who have the PUTTING IT OFF habit born into them when there is no good reason for it. The special ballot to which the contestants who qualify are entitled will be made out and sent to them at the end of the special offer. The regular ballots to which they are entitled for all subscriptions are issued at once.

**Open Evenings.** For the benefit of those who are not able to get to this office during business hours, the Contest Department will be open every evening until 9 o'clock.

#### W. C. T. U. LECTURER HERE NEXT SUNDAY

Mrs. Mary Armer of Georgia, the woman temperance orator who fills the place upon the platform so long left vacant after Miss Frances Willard's death, (and easily the best speaker in the temperance world, is to be in Oregon for the last month of the Oregon campaign, brought here by the W. C. T. U., to whose work she devotes her life.

No other temperance orator draws such audiences or holds and sways the masses as does this platform orator, enthusiastic, with her heart on fire with love for humanity.

When she held series of meetings in the large cities in the east no hall was large enough to hold the crowds that flocked to hear her.

# THE ESSENTIALS

of an Orchard Platting Proposition for a home or an Investment are

## Good Soil, Good Location And a Price WHICH GIVES THE OTHER FELLOWS AN OPPORTUNITY TO MAKE A PROFIT

We have a 200-acre tract between Talent and Ashland, located on the main road, with about 75 acres planted to pears with peach fillers. Stock and machinery go with the place. The price per acre is about half what others are asking for similar tracts, and we can make very easy terms. If you want a platting proposition you should not overlook this. It is priced low for a quick turn. If interested let us show you this property.
