ear, a beautiful Kimball or Cable & Nelson piano or one of the other valuable prizes.

Keep Busy. Girls, do not let others carry away these valuable prizes without a struggle, but make up your mind that you will be the winner and go after the prizes in a manner that will coincide with your determination. Those who have already entered are doing nicely, and it seems that each one is working hard to come out victorious. There are many people who are willing to subscribe if they are asked. Get up your courage, girls, and go after these backward subscribers. Nothing counts in votes so fast as yearly subscriptions and there are plenty of people waiting to pay their money down. While there is time do your work, and let the end take care of itself. If you do well now you need not worry about the future.

Get right to work and get your share of the subscriptions to be had only for the asking.

A little over three weeks remain in the great Mail Tribune contest. Not very many days when it comes to counting the days, is it? Well, that means a little accelerated work for every contestant in the race, especially if the contestants want to make any showing on the last day of the race.

PANAMA CANAL WILL BE FINISHED BY 1915

NEW YORK, Oct. 7.—"The Panama canal will be cut through by 1915," said Colonel Goethals, chief engineer of construction, who is here to attend the wedding of his son. Colonel Goethals is enthusiastic over the prospect.

"Everything is going nicely," he said. "We are pushing the concrete work in the locks rapidly and excavation is being done more rapidly was started. The new line from Gatun to Gamboa will be completed by January 1, 1912, I feel certain, and then we will begin to raise Lake Gatun up to a 50-foot level."

THE ESSENTIALS

of an Orchard Platting Proposition for a home or an Investment are

Good Soil, Good Location.

And a Price WHICH GIVES THE OTHER FELLOWS AN OPPORTUNITY TO MAKE A PROFIT

We have a 200-acre tract between Talent and Ashland, located on the main road, with about 75 acres planted to pears with peach fillers. Stock and machinery go with the place. The price per acre is about half what others are asking for similar tracts, and we can make very easy terms. If you want a platting proposition you should not overlook this. It is priced low for a quick turn. If interested let us show you this property.
