

Eagle Point Eaglets

—By—
A. C. Howlett.

Last Saturday the railroad camp that has been located on Butte creek at the railroad bridge, broke up and Mr. Cole and Jim Ely took a room at the Sunnyside. Mr. Cole is one of the engineers who is running a dirt train. In addition to Mr. Cole we have twenty-two of the regular workmen added to our list of boarders, making now thirty two railroad working men. Last week, after the railroad company had sent the steam shovel to the Deschutes, they established a camp near the Durby station on what is known as the Wrisley plat and are using the same steam shovel that Craig and Fuller used on the big cut near Vestals, but the engineer, Mr. Fraser, says that he does not think that it will take long to dig the pit out and then they will probably bring the shovel down to where the old shovel was at work digging.

Mr. MacDonald was here Monday night and reports that they are getting along fine with the bridge work, although the rain today, Tuesday, will retard the work considerably.

There is a force of men at work digging a well at the depot for the railroad company.

They are not getting along very fast as the rock through which they are digging is hard to work to advantage without blasting and is of such a formation that the powder only blows out a small hole at a time.

Word has gone out that the railroad company is to build a depot here at once.

Charley Cincade and Roy Ashpole have the lumber on the ground to build a house for a confectionery store.

Wormley and Smith have the lumber and are now working on the upper rooms of our school house, getting it read for our third teacher.

Frank Nichols has his new home well under way.

Joe Mooneau has about completed his home.

In the absence of lumber to build with there is quite a number of tents scattered around the town. Mrs. Howlett has three large tents in the yard to accommodate her guests.

A. S. Bennett and family and a young man whose name I did not learn came out from Medford Sunday for dinner at the Sunnyside.

Ellen Beach Yaw Here Soon

Ellen Beach Yaw, the famous American nightingale, whose extraordinary and beautiful voice has been heard around the world, would seem to have the best claim to the much coveted title "The American Singer."

It is apparent at once that any woman who lays claim to this title must base her claim upon a wide range of artistic accomplishment.

Getting down to this subject, it can be proven in a very few words that Ellen Beach Yaw, in point of universal appeal, is the American singer.

The singer must reach the hearts of the common people. That is, she must know how to interest the simple ballads, and the old-folk songs dear to the hearts of those to whom higher music is but an empty name.

The singer must be a mistress of the modern school of song-writing, the emotionalism of Strauss, Huzar Wolf and others, whose simple songs, by the very stress of powerful thought, become tense dramatic poems.

The singer must be a mistress of the art of singing as laid down in the old Italian school, and the field of "Bel Canto."

The singer must have triumphed in opera—not in some obscure opera house of Italy, but in at least one of the great opera houses of the world—the Metropolitan, the Metropolitan, which is the greatest of all opera houses, preferred.

Can you think of any other singer, save Miss Ellen Beach Yaw, who has done all these things?

Miss Yaw appears at the Medford theater with her company of artists, Monday night, October 17th. Seats on sale at Hoskins, Thursday, October 13th, at 10 o'clock.

Central Point Items

Hary Silby returned Monday from an extended visit in California. While in the Golden state Hary visited nearly every point of interest in the land of perpetual sunshine, but says it is not in it with the Rogue River valley.

There is not a crosswalk on any street in the entire town of Central Point, save it be one placed by some individual. Pine street has some substantial cement sidewalks, but the town authorities refuse to put down the intersections and cross walks, the which gives us a foretaste of mud to meander through for some months. We need a new city charter and a new council to go with it.

Unless a greater patronage is extended the Ladies' Civic Improvement club the Britt Lyceum course will prove an expensive luxury. The

course is a good one and deserves a patronage of high order, but between Barnum & Bailey, Buffalo Bill, the Y. M. C. A. and a couple of revival meetings, there is something wrong with our pocketbooks and we can put our hands in our pockets and diagnose on rown case. We hope, however, that the remaining numbers of the lecture course may have a better patronage.

Drury Davis, well known athlete of Stockton, Cal., was here for a short time Monday evening. Mr. Davis is looking over the field with a view to constructing a large velodrome for motor cycle, bicycle and motor car racing, as well as baseball and other field sports, but finds land too valuable for orchard purposes to think of converting it into a play ground.

OLDFIELD SAYS HE WILL RACE BLACK JACK

NEW YORK, Oct. 12.—Barney Oldfield declared today that he was not worrying about the order of the American Automobile association disqualifying him from racing because he persisted in racing against Pugilist Jack Johnson at Sheepshead Bay October 20.

"Let them take my license," said Oldfield. "I will race Johnson, license or no license. And I guess that when they start other big races Barney Oldfield will be among those entered. Anyhow, I am not worrying and the race with Johnson will be held as far as I am concerned."

KLAMATH PIONEERS MEET IN REUNION

KLAMATH FALLS, Or., Oct. 12.—The second annual reunion of the Klamath Pioneers, held here recently, was attended by a large crowd. About 200 pioneers met on the court house lawn, where the ladies had prepared a basket dinner.

After the dinner the old timers were photographed.

In the evening a program was given in the Red Men's hall, of both vocal and instrumental music and impromptu speaking by some of the pioneers, who told of the hardships and pleasures of the early days here. Following this another banquet was served and the officers for the ensuing year were elected as follows:

O. A. Stearns, president; O. C. Applegate, vice president; Mrs. E. V. Cogswell, secretary and treasurer. In addition to these officers the executive committee consists of Jacob Ruick, C. B. Kester, J. O. Hamaker, Steve Stuekel and John Smart.

A temporary organization of a society of Native Sons and Daughters was formed with a large enrollment. This organization will be perfected later.

M. W. A.
Modern Woodmen of America, Camp 6013, meets first, third and fourth Tuesdays at Smith's Hall. W. C. Kinyon, Consul; John P. Lawrence, Clerk.

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

Once a Rayo User, Always One.

BANISH THOSE GRAY HAIRS!

Kill the Dandruff Germs—Stop Hair Falling

Thousands of mothers are looking younger—Their gray hairs are gone. The natural color has come back, and with it a new vigor and life. Why should you look old before your time, when you can look better younger by using

Dandruff Cured

Three applications removed all the dandruff and left my scalp clean, white and smooth.

It is Positively Guaranteed to Restore Faded and Gray Hair to Natural Color

If other "so-called" Restorers have failed, don't give up hope, but give WYETH'S SAGE AND SULPHUR HAIR REMEDY a trial. You run no risk. If it is not exactly as represented, your money will be refunded.

PROFIT BY OTHERS' EXPERIENCE

Gray Hair Restored

My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color. It is now a nice dark brown color, soft, glossy and pliable. Several of my friends want to use it, and I want to know what you will charge me for six bottles of it.

Sharon, Mercer Co., Pa.

Grow Hair on a Bald Head

For two or three years my hair had been falling out and getting quite thin until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly until now I have used four bottles. The whole top of my head is fairly covered and keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.
