SPECIAL NOTICE

Sixty months new business to the Mail Tribune will entitle you to a special ballot of 100,000 votes. Each and every month over the sixty may be able to secure, will entitle you to a proper proportion of another 100,000. In other words the larger number of new months, the larger your special offer ballot will be, and the better the chance for winning the automobile and \$25 in gold will be.

The great special offer made to the contestants closes tomorrow night at 11 o'clock. In order to have subscriptions count on this special offer, all subscriptions must be received at the Mail Tribune office by this hour. To give the contestants in the territory outside the city the same amount of time to work as those inside the city, the management will accept all subscriptions sent to them that are mailed before 11 o'clock, Saturday evening, but the envelope must bear the postmaster's name and date and hour mailed, written on the outside of the envelope.

Two new six months subscriptions will count as one year on this offer. A two, three, four or five year subscription will also apply on this special offer as so many months new business. No contestant is restricted as to the number of times she may qualify for this offer. If she is able to secure ten yearly subscriptions she will receive a ballot of 200,000 votes, or in proportion to the number turned in. The larger number of new months, the larger your special offer ballot will be.

those who get out and worked. Do not let the days slip by and think you will get a bunch of subscriptions the last few days, but hustle today—right now—and see how many you can get. You may be able to get enough to easily win one of the grand prizes.

Small Payments. Candidates that have taken subscriptions for one, two or three months at the beginning of the contest should get these subscribers to pay for the rest of the year as they are now considered new.

For example, a person who has subscribed for the paper and paid 50 cents received 700 votes, by getting them to pay \$2.00 more you will be given 7000 votes less than the 50 cent payment, or 700 votes. The new months will also count in on the special offer now in vogue. When turning in such payments kindly mark your stub "second payment."

The contest closes Saturday evening, October 29, at 11 o'clock. The special offer closes Saturday evening, October 15, at 11 o'clock.

Be sure your name is on all ballots and coupons before putting them in the ballot box.

The contest department telephone number is Main 3027.

Coupons and nomination blanks must be cut around the outer dark lines. Nomination blanks are still good, and count for 20 votes each.

The contest department is always open. Call or telephone if you desire information. Old subscribers paying arrearages or in advance are entitled to votes. Ask for them.

Cut the coupon and nomination blanks from the paper and help that young woman win the prize.

Vote as often as you wish. It costs absolutely nothing to vote in the Mail Tribune popular contest.

For the benefit of those who are not able to get to this office during business hours the contest department will be open every evening until 9 o'clock.
