"ONLY ISSUE IS MONEY" - COXEY

"General" Who Led the Tramp Army to Washington in 1894 Discusses Topics of the Day—Says Teddy is a Four-Flusher.

NEW YORK, Oct. 15.—"General" Jacob S. Coxey, who led the famous tramp army to Washington in 1894, and who is now worth \$3,000,000, which he made in Ohio rock quarries, arrived in New York today and had a few things to say about current topics and "big" men.

"A change is coming in America," said Coxey. "It is a case either of evolution or revolution, but I am afraid the last will be first. Roosevelt and Bryan are four-flushers. Bryan killed populism, pretending to preach its principles. Now another party is awakening and Roosevelt is doing the same thing.

"The only issue that counts is money. Hollering about the tariff is like digging out a woodchuck when one is hunting coons. My ideas have not changed a bit since 1894. Then I had no money and the people laughed. I now have millions and my ideas are accepted in high places.

"There is no use to talk about conservation. There is nothing left to conserve. They have stolen it all. There will be a political change in November but it will do no good. When the republican grafters go out the democratic grafters must come in. Neither party is on the level."

Coxey said he intended to spend his entire fortune in educating the public so the masses will be prepared for the revolutionary change he says will take place in the United States.

HEED THE WARNING.

Many Medford People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

Medford people recommend Doan's Kidney Pills.

Mrs. Jennie Sevey, 1023 Ninth street, Medford, Ore., says: "I first used Doan's Kidney Pills while living in Idaho. I suffered a great deal from kidney trouble and I was subject to severe attacks of pain in the small of my back. The kidney secretions also passed irregularly and showed that my kidneys were at fault. Doan's Kidney Pills relieved me promptly and finally effected a cure. I am now in good health and my kidneys do their work as they should."

WOMAN HURLED 60 FEET BY AUTO

PORTLAND, Ore., Oct. 15.—Dr. Edna Timms, a well known woman physician, was instantly killed late last night and her chauffeur, Walter Christianson, was painfully injured when an automobile in which they were driving at a rate of 70 miles an hour struck a street car at Nineteenth and Flanders streets. Dr. Timms had ordered Christianson to put on all speed as she was responding to an emergency call. Motorman Rayburn and Ora Miller, the conductor, were arrested and booked on the charge of manslaughter. They were later released. Both men declare that the street car was not traveling faster than ten miles an hour when the automobile shot across the curb and was caught on the fender of the car. The tonneau of the automobile was cut in twain and Dr. Timms hurled sixty feet before her body struck the asphalt pavement. Christianson was hurled under the debris of his machine, twenty-five feet from the scene of the collision.

SPENT \$150,000 IN TWO YEARS

TACOMA, Wash., Oct. 15.—Having squandered \$150,000 in two years, Isaac Cathart of Cathart, Wash., is in the city jail today on the charge of drawing a check for \$25 when he only had \$7 in the bank. The young man came into possession of a fortune on the death of his father, who founded the town of Cathart and was its leading citizen. Cathart junior spent his money like water, buying precious stones for women of his acquaintance and in other ways ridding himself of his inheritance. He created a furore Sunday night when he met a man in company with a woman to whom he had given \$900 worth of diamonds. Cathart was badly beaten and spent two days in the hospital.

MORE CHOLERA IS DISCOVERED

NAPLES, Oct. 15.—Twenty-four new cases of cholera were discovered yesterday in Naples and in the Neapolitan state alone, according to official bulletin issued today. Twelve of the 24 patients died before day-break today.

ENRAGED MEN SEEK FIREBUG

DENVER, Colo., Oct. 15.—A large patrol of forest fire fighters today scoured the vicinity of Miramonte for an alleged firebug, who, mounted, on a swift steed, has been silently moving in and out among the forests, setting the timber on fire and endangering scores of lives.

The fires have been raging for several days and the authorities are convinced that incendiaryism is responsible. Every effort is being made to locate the man, who is said to have been prompted by motives of revenge against certain residents in the burned area.

ILLINOIS PRIMARY LAW CONSTITUTIONAL

SPRINGFIELD, Ill., Oct. 15.—The supreme court of Illinois today upheld the constitutionality of the direct primary law. The court also sustained Attorney General Stead's demurrer to a complaint that the law was unconstitutional.

In a period of four years two other primaries have been declared unconstitutional.

SALMON PLENTIFUL IN SOUTHERN OREGON RIVER

SALEM, Ore., Oct. 15.—Master

Fish Warden Clanton received a letter this morning from Superintendent Smith of the South Coos river hatchery, in which he says that the Coos river is packed with salmon, and the cannery station is receiving more fish than it can handle. The writer says that boats carrying salmon to the cannery are loaded to the limit. The recent rain is the cause of the exceptionally heavy run of

fish, and it is thought by the hatchery men in southern Oregon that all the rivers will show large runs in a short time.

VESSEL GOES ASHORE IN SEATTLE HARBOR

SEATTLE, Wash., Oct. 15.—While entering Seattle harbor today from Japan the steamer Tacoma Maru

ran ashore on West Point, near Fort Lawton lighthouse, during a dense fog. The vessel is not seriously damaged. Passengers were transferred to shore in lifeboats, without confusion, and came to Seattle in trolley cars from Fort Lawton.
