

## Eagle Point Eaglets

—By—  
A. C. Howlett.

Professor L. A. Wright, principal of the Butte Falls school, and the primary teacher, Mr. A. M. Marrett, and Miss Edith Graham, all of Butte Falls, were here for dinner Tuesday on their way to Grants Pass to attend the teachers' institute.

George W. Reynolds, a traveling salesman for the Hand Made Shoe company, spent the night here Tuesday. He was interviewing our merchants on the subject of footwear.

Born, to Mr. and Mrs. Aaron Smith, October 10, a son, so reports Dr. Holt.

Last Sunday as Roy Cobley was playing with a pistol it was discharged accidentally, the ball entering the left leg just above the knee, ranging downward, and lodging distressingly near the knee joint. He was treated by Dr. Holt and afterward brought to the Sunnyside where he is likely to remain for some time. While the wound is not considered dangerous, still it is very painful, as it was necessary to open up a hole through his left leg in order to remove the bullet.

Word came over the wire Thursday evening from Butte Falls that Buel Hildreth of that place, while working with the logs got caught between two of them and the flesh badly torn from his legs. Although there were no bones broken still he was badly hurt and it will require

a long time before he will be able to work again.

Some of the bridge men of the P. & E. railroad company were here Thursday night and report that they were driving the piling for the last bridge between here and Butte Falls, although they have two large bridges to build yet.

The railroad company have staked off the ground for the depot at this place and work will commence on the building next week. It is to be 30x90 feet with porches, etc., to extend to cover an area of 60x120 feet and have it arranged so that teams coming in to load or unload can have a shed to work under during rainy weather. They have moved the building site a short distance north of the old station so as to have the depot on better ground and a better way to get to it.

Charley Cingcade and Roy Ashpole are rushing their building right along and by the time that this goes to press will have the roof all on.

Hon. James Owens, our county commissioner, came over the other day and bought the old Farlow property that was bought about a year ago by I. B. Williams. It is understood that the price paid was \$1,000. There is not a day but someone is here trying to buy or rent a home and business is getting better every day.

### SPOKANE TO BUILD

#### LARGE LIGHT PLANT

SPOKANE, Wash., Oct. 17.—Four hundred thousand dollars will be expended by the city of Spokane on a municipal water, light and power plant, designed to generate between 20,000 and 30,000 horse power electrical energy, if the plans presented by George W. Armstrong, president of the board of public works, are adopted by the council. It is proposed to begin work before the close of the year.

The city owns a 6000 horse power pumping plant a short distance from Spokane, but the power available there is only sufficient for present needs.

In addition to maintaining this plant the city pays about \$80,000 a year to a private corporation for light and power. This expense would be cut off, the projectors of the municipal plant say, and besides thousands of dollars would be saved yearly to consumers by the city selling the power direct to them.

"Another item would be the saving of the present water right on the Spokane river for manufacturing industries," said Mr. Armstrong, and at once put an end to the controversy with the Inland Empire Paper company, a \$1,000,000 concern, backed by Minnesota and Wisconsin capital, which desires to erect a wood pulp and paper plant about nine miles east of Spokane."

Haskins for Health.

### BANISH CATARRH.

Breathe Hyomei for Two Minutes and Stuffed Up Head Will Vanish.

If you want to get relief from catarrh, cold in the head or from an irritating cough in the shortest time breathe Hyomei (pronounce it High-o-me.)

It will clean out your head in two minutes and allow you to breathe freely awake or asleep.

Hyomei will cure a cold in one day; it will relieve you of disgusting sniffles, hawking, spitting and offensive breath in a week.

Hyomei is made chiefly from eucalyptol, a soothing, healing, germ killing antiseptic, that comes from the eucalyptus forests of inland Australia where catarrh, asthma and consumption were never known to exist.

Hyomei is pleasant and easy to breathe. Just pour a few drops into the hard rubber inhaler, use as directed and cure is almost certain.

A complete Hyomei outfit, including inhaler and one bottle of Hyomei, costs only \$1.00 at druggists everywhere and at Chas. Strang's. If you already own an inhaler you can get an extra bottle of Hyomei at druggists for only 50c.

It relieves stomach misery, sour stomach, belching, and cures all stomach disease or money back. Large box of tablets 50 cents. Drug-

A store should be advertised as regularly as it is opened for business.
