\$161.50.

New York, September 20, 1910.

Pastor C. T. Russell, Brooklyn, N. Y.

Dear Sir—Your sympathetic interest in
the Jewish people for years past has
not escaped our notice. Your denunciations of the atroctiles perpetrated against our race in the name of Christianity has added to our conviction that you are a sincere friend. Your discourse on "Jerusincere friend. Your discourse on "Jerusalem and Jewish Hopes" has struck a responsive cord in the hearts of many of our people. Still we doubted for a time if any Christian minister could really be interested in a Jew as a Jew and not merely from a hope of proselyting him. It is because of this feeling that some of us request you to make a public statement respecting the nature of your interest in our people and we desire you to know that the statement you did make was very satisfactory. In we desire you to know that the statement you did make was very satisfactory. In it you assured us that you are not urging Jews to become Christians and join any of the sects or parties of Protestants or Catholics. That statement, Pastor Russell, has been widely published in the Jewish journals. We feel, therefore, that we have nothing to fear from you as a race. On the contrary, in that statement you mentioned that the foundation of your interest in our people is built upon your faith in the testimonies of our Law and the messages of our Prophets. Four may well understand how surprised we are to find a Christian minister acknowledging that there are prophecies of the Bible still unfulfilled, which belong to the Jew and not to the Christian, and that these prophecies, according to your these prophecies, according to you studies, are nearing a fulfillment of mo mentous interest to our Jewish race and, through us as a people, to the nations of

These things, Pastor Russell, have led to the formation of a Jewish Mass Meeting Committee, which, by this letter, requests you to give a public discourse, especially to our people. If you will kindly accept this invitation, will you permit us to suggest a topic for your address, which, we believe, will be very interesting to the public and especially to the Jews, namely, "Zionism in Prophecy."

As for the meeting: We suggest Sunday afternoon at three o'clock, October 9th. We have secured an option on the Hippodrome, New York's largest and finest Auditorium, for that date, and we hope that this date and the place will be agreeable to your convenience. We assure you also of a large audience of deeply interested Hebrews, besides whoever may come of the general public.

Trusting to hear from you soon, we subscribe ourselves.

JEWISH MASS MEETING COMMITTEE.

Brooklyn, N. Y., Sept. 21, 1910. Mass Meeting Committee, New York City. kind invitation to a dress the Jewish Mass Meeting in the New York Hippodrome Sunday, October 9th, at 3 P. M., came duly. I thank you for the confidence which

this invitation implies. The date you have selected is not only appropriate in its relationship to the Jewish New Year, but it is very suitable to my own ar-rangements, as I leave on October 12th for appointments in London and elsewhere in

ngst the several prominent mem bers of your race suggested for Chairman of the Mass Meeting, I select Mr. John Barrondess, because I have had the pleasure personally of conference with him and because I know him to be very loyal to the interests of your people and be-cause I believe him to be very highly es-

teemed as such in the counsels of your Faithfully and respectfully yours, C. T. RUSSELL.

The Happodrome is really an immense and elegant Opera House with a capacity of about five thousand. It was crowded today and many failed to gain access. The Jewish people of this City, who number more than a million, have become deeply impressed by various discourses which Pastor Russell has recently delivered and were alert for today's meeting-to hear his presentation of Zionism as foretold by the prophets. The speaker held his immense audience spellbound for nearly two hours, all apparently as unconsclous of the flight of time as was the speaker himself. After the service the Hebrews could be seen in little knots and groups here and there in the corridors and in the streets discussing the subject. The speaker's views were evidently shared by the majority. Altogether the meeting was something unlique. Never before did Jews give such attention to the message of a Christian minister. And never before did a Christian minister give such a message to the Jews.

What Pastor Russell Said.

The speaker read to his audience many quotations from the prophecies of the Bible relating to Zionism, the first one of which was Psalm cii, 13-18 -"Thou shalt arise and have mercy upon Zion; for the time to favor her. yea, the set time, is come. For thy servants take pleasure in her stones. and favor the dust thereof. Then shall the Gentiles fear the name of Jehovah. and all the kings of the earth thy glory. When the Lord shall build up Zion, he shall appear in his glory."

Pastor Russell declared that while once he had been inclined to discard the Bible as unreliable along the lines of Higher Criticism, he had subsequently given it very earnest study. entirely apart from all creeds and theories of men. This study had greatly enlightened his mind and had given him a very different view of the sacred Book. He now has absolute confidence in it He now realizes, not only that there is a great Crestor, but that

he is definite, orderly, in his dealings with humanity, in his shaping of earth's affairs. For instance, the first Psaim quoted mentions the time, yea, the set time, for the return of Divine favor to Zion. So he finds matters all through the Scriptures. In due time David, Solomon and others represented Jehovah in the Kingdom of Israel and "sat upon the throne of the Kingdom of the Lord." Later the King-

PULPIT ... **ZIONISM** IN PROPHECY

ADDRESS TO

A Jewish Mass Meeting-The Hippodrome Jammed

dom was taken from Zedeklah, the last of the line of David to sit upon the throne of God's typical Kingdom. When the dominion was taken from him the Gentile governments were recognized, but not in the same manner as was Israel. None of them was designated the Kingdom of God. None

of them was given perpetuity of rule. But Gentile governments were promised a lease of power during the period when Israel would be cast off from God's favor. Then at the end of the appointed time the Gentile lease of earthly power in turn, and God's original provision for Israel to represent his Kingdom in the world, would return. These are the set times referred to by the Psalmist. God's promise to David-"The sure mercies of David"-were that of the fruit of his loins one should sit on the throne of the Lord forever. The real purport of this promise was that Messiah, the long-promised King of Israel, would be the root and off-shoot of the Davidic line and blessed of the Lord; his Kingdom should be an everlasting one and fully competent to fulfill all of the Divine promises made to Abraham-"In thy Seed shall all the families of the earth be blessed."

Zedekiah Rejected - Nebuchadnezzar Acknowledged.

So long as God acknowledged the nation of Israel as his Kingdom their kings were his representatives; but when Zedekiah was rejected it was not inconsistent on the Lord's part to recognize the Gentile governments; as above suggested. Of King Zedekiah we read, "O thou profane and wicked Prince, whose time has come that iniquity should have an end. Remove the diadem - Take off the crown. This shall not be the same. I will overturn, overturn, overturn it until he come whose right it is (Messiah), and I will give it unto him" (Ezekiel xxi, 26, 27). It was at this very time that God gave the lease of earthly power to Nebuchadnezzar and his successors, as is related in Daniel's prophecy. Nebuchadnezzar dreamed, but disremembered his vision. Daniel the Prophet, made prisoner at an earlier date, was, by Divine providence, introduced to the king as the one person in all the world able to rehearse the King's dream and to give its interpretation, and his power so to do is declared to have been of the Lord.

Nebuchadnezzar's Vision of Gentile Dominion.

The vision was of a stupendous imbuchadnezzar's Empire-Babylon. Its reast and arms of silver represented the Medo-Persian Empire. Its belly and thighs of brass represented the Grecian Empire. Its strong legs of iron repre-West. Its feet of iron and clay represented Papal Rome. The iron continues to represent civil governments, and the miry clay, making them appear like stone, represented ecclesiasticism as it is now mixed up with the politics of the ten kingdoms of Europe. The whole period of time in which these various Gentile governments \$161.50. would dominate the world would last until Messiah's promised Kingdom, And this period is symbolically stated to have been "seven times"; that is, seven years-evidently not literal

years, but symbolical. At their end the lease of earthly power of Gentile governments will terminate in the great time of trouble foretold by Daniel (xii, 1). Then Messiah shall stand up in the sense of assuming control of earth's affairs and Gentile governments will cease, for all nations shall serve and obey Messiah. And then God's Chosen People, Israe!, will come to the front in the world's affairs, because they will become the representatives and instruments amongst men of Messiah's Kingdom, which will be spiritual and invisible, as is that of the Prince of this world, the Prince of darkness, whom Messiah will bind or restrain during the thousand years of his reign of righteousness and destroy at the conlusion, when he shall deliver over the Kingdom of earth to the Father. Mankind will then be perfect, because all wilful sinners will be destroyed in the Second Death. Meantime, Messiah's reign will not only bless and uplift Israel, but through Israel the \$161.50. blessing will extend to every nation. people, kindred and tongue in full acord with the Divine promise and oath nade to Abraham more than thirty

centuries ago. All this is briefly and beautifully represented in Nebuchadnezzar's dream. as explained by Daniel. He saw a stone taken from the mountain without human aid. He watched and saw the stone smite the image on its feet and beheld, as the result, complete demolishment of the Gentile systems. This smiting of the image in the feet symbolically represents that it will be by Divine power that present institutions will all come to naught preparatory to the establishment of the Kingdom of God in their stead.

Messiah's Kingdom In the Vision. Then Messiah's Kingdom, symbolized by the stone, will not only fill the place where the image stood, but, gradually increasing, will fill the whole earth. From this standpoint, said the speaker, it is not difficult for us to believe the words of the Psalmist that there is a time for God's regathering Zion, yen, a set time-fixed and unalterable. The speaker would not pretend to say the day or month or year

siah's Kingdom assume control. He did however, offer a suggestion: So far as be could discern, the time for these stupendous events is very much closer than 50 feet; rate per foot \$3.23; amount many of us had supposed. The seven times, or years, of Gentile domination, reckoned on the basis suggested in the Scriptures themselves, should be inter- 50 feet; rate per foot \$3.23; amount preted a day for a year, lunar time. Sev- | \$161.50. en years in lunar time would represent 2520 days and these, symbolically interpreted, would mean 2520 years-from the time Nebuchadnezzar, the head of the image, was recognized down to the time of the expiration of the lease of Gentile power, when the stone shall smite the image in the feet. So far as Pastor Russell has been able to determine, the year of Zedeklah's dethronement was 606 R. C. Thus calculated the ED years of Gentile lease of power will expire in October, 1914. There are some who claim that Zedekinh's dethronement should be dated B. C. 588. If this be true it could make a difference of but eighteen years and give the date 1902. Pastor Russell's convictions, however, favor the 1914 date.

CITY NOTICES.

ORDINANCE NO. 387.

An ordinance declaring the cost of the improvement of Ross Court from West Main street to West Fourth street, and assessing the property benefitted thereby, and declaring such assessment, and directing the entry thereof in the docket of the The City of Medford doth ordain

as follows: Section 1.
