## Will Help You to Win!

DEAR CANDIDATE:

Your last chance to get extra votes.

The management of the Mail Tribune has decided to make one more FINAL SPECIAL OFFER for NEW SUBSCRIBERS. This is positively the LAST CHANCE during this contest to get extra votes.

For one week, six days, the Mail Tribune will give to every contestant 100,000 EXTRA VOTES for every ten NEW subscribers turned into the Mail Tribune office between Monday morning, October 17, and Saturday evening, October 22, 1910. The new subscribers to count on this offer must be people who are not subscribers now getting the Daily Mail Tribune.

The only restriction on this offer is that the ten new subscriptions must average three months each. For example, if you turn in eight new one month subscriptions and two new one year subscriptions you will be entitled to the 100,000 EXTRA VOTES. Or if you turn in ten NEW three months subscriptions to the Daily Mail Tribune you will be entitled to the 100,000 EXTRA VOTES! This offer is for NEW SUBSCRIBERS TO THE DAILY MAIL TRIBUNE ONLY.

You surely know ten friends who are not taking the Mail Tribune, and who would willingly take it for three months each. This is positively the most liberal vote giving offer of the contest—this is opportunity week. Subscribers to the Weekly Mail Tribune and changing to the Daily will count in this offer.

This is the last BONUS OFFER of the contest and it will pay you to take advantage of it to the fullest extent.

This is an opportunity to obtain a great many extra votes by a little effort. The subscriptions should not be held back until the last day, but turned in as secured.

An accurate account will be kept by the Contest Manager of all subscriptions turned in during this offer and the EXTRA BALLOT will be mailed to the contestants after this offer closes.

Address CONTEST DEPARTMENT, Medford Mail Tribune, Medford, Oregon. Contest closes October 29, 1910.

### Read Very Carefully.

The coupon appeared yesterday for the last time and in order to have them count must reach this office not later than noon, Monday, October 24. This means all coupons and nomination blanks clipped from the paper, the special offer ballots and ballots issued on subscriptions are good up to and including the last day of the contest. All votes cast before noon Monday, October 24, will be included in Tuesday's paper.

After the count on Monday the ballot box will be locked and sealed, the key deposited in some local bank until the contest is closed and will then be delivered to the judges, who will have charge of the count.

The standing of the candidates as they will appear in the Mail Tribune on Tuesday will not be changed again until after the contest is over. This is done so that no one will have any knowledge as to the reserve vote of the different contestants, and also that the contest department may develop their time to waiting on candidates desiring to secure ballots on subscriptions.

All candidates desiring to stand well up in their respective districts during the final days of the contest must have votes deposited in the box not later than noon, Monday, October 24.

Saturday night at 11 o'clock the great inducement for new subscribers in this contest, two days left to hustle.

The remaining time should be filled with the greatest possible effort on the part of every candidate in the race. All subscriptions to count on this offer must be in the Mail Tribune office at that time or bear such distinguishing marks at the home postoffice as will prove that the subscriptions were mailed before the date and hour named as the closing time of the contest.

**Special Offer Ballot.** No contestant is restricted as to the number of times she may qualify for this offer. If she is able to secure twenty new subscribers during these two days she can do so and will receive a ballot of 200,000 votes, or in proportion to the number turned in. The larger the number of new subscribers you may be able to secure the larger your special offer ballot will be.

Get every available subscription NOW and let the end of the race take care of itself. There is one thing which always succeeds in a contest of this kind, and that is the staying quality of those who have entered the contest with the determination of staying with it to the end are going to come out victorious.

**Open Evenings.** For the benefit of those who are not able to get to this office during business hours the contest department will be open every evening until 9 o'clock.

**DISTRICT NO. 1.** Includes All the Territory in the City of Medford.

### GRAY HAIR BANISHED.

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy and gradually restored the natural color. One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days on account of its soiling quickly. This objection has been overcome and by asking almost any first-class druggist for Wyeth's Sage and Sulphur the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair but will also stop the hair from falling out and make it grow. It is sold by all druggists for 50c, and \$1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.
