

ANOTHER SUSPECT IN TIMES CASE

Morris Fitzgerald Taken to Los Angeles from Hanford Where He has Been of Late Confined in Hospital—Papers Found On Him.

LOS ANGELES, Cal., Oct. 22.—Morris Fitzgerald who has been under surveillance since he fell from a train at Hanford October 2, was brought here today by two detectives of the Los Angeles police force and taken to the county jail.

When Fitzgerald was taken to the Kings county hospital at Hanford papers found in his pockets caused the authorities to notify the San Francisco police that he might have some knowledge of the dynamiting of the Los Angeles Times building. No charge was filed against him. He will be detained and questioned, pending other investigations the officers are making.

Mrs. Belle Lavin, who was arrested in San Francisco, will not be arraigned on a charge of murder, according to the detectives who brought her to Los Angeles. It was believed that she would be arraigned yesterday and the decision of the authorities has caused the belief that they have gained from her certain information they have been seeking.

Earl Rogers and the other investigators were little moved when told of the report that three men suspected of the dynamiting had been arrested at San Benito, Mexico.

He refused to discuss the report.

WADE CAPTURED IN WILLOWS CAL.

After eluding the Oregon authorities for many weeks, Frank Wade, one of the most desperate men who has ever escaped from the criminal insane ward at the state asylum, has been placed under arrest at Willows, Cal. Wade was one of five convicts who made a break from the criminal insane ward several weeks ago. Three of them being immediately recaptured and the fifth man is still at large.

Wade was the man most badly wanted by the officers. He was sent to the penitentiary for committing a murder in Jackson county, his brother being sentenced at the same time for the same offense. Both received life sentences, but the brother was pardoned a number of years ago. Wade was later sent to the criminal ward at the asylum. Officers here have always considered him most dangerous as a criminal and he has been closely watched.

He was arrested in California under the alias of Wiley, on a charge of horse stealing. In one of his pockets was found a letter addressed to the governor of Oregon and signed Frank Wade. The document is a lengthy one and typewritten, evidently having been written for him by someone else. He explains all the details in connection with his case and seeks to secure a pardon. Whether Wade will be taken back to Salem is not yet known. The penitentiary authorities were notified of his arrest, but as he was in custody at the asylum when he escaped, what disposition will be made of his case is not determined.

TO VOTERS.

Less than 300 voters in the district affected signed the Washington-Multnomah county annexation petition; 599 in the district have signed a remonstrance, practically all outside the district are against annexation, yet you are called upon to vote the addition of practically one-fourth of Washington, one of the smallest counties, to Multnomah, already the wealthiest, most influential and powerful. Voters of the state outside of the counties affected can know but little of these county division measures. We of Washington know nothing of the merits of those not affecting us, and believe such questions should be left to the counties affected. Washington county cannot afford to lose this territory, and Multnomah does not need it. We ask you to vote 239 X No.—W. D. Wood, Chairman Anti-Annexation Committee, Hillsboro, Oregon. AUTOMOBILE KILLS MULE NEAR ASHLAND

District Attorney Mulkey was called to Ashland Thursday to look after several cases, two of them being cases of the sale of adulterated butter and one on account of canned meats being preserved by sulphites, which is considered poisonous under the law.

In addition Mr. Mulkey will be called upon to investigate a case where an automobile ran down a mule and contrary to the usual results of butting into a mule, the long eared brute got the worst of it. Mr. Mulkey could give no information as to the seems like the prototype of "Maud" No. 15, but from this distance it seems like the prototypes of "Maud" must have been asleep, else there there would have been work in the garages or a hurry call for doctors and nurses.
