

COMMISSION IS MAKING GOOD

Much Desirable Publicity Is Result of Sending Letters and Pamphlets Nation-Wide by Country Life Commission in Northwest.

SPOKANE, Wash., Oct. 24.—Washington, Oregon, Idaho and Montana are receiving much desirable publicity of continent-wide extent as a result of thousands of fliers and pamphlets sent to all parts of the United States by the Country Life committee of the Spokane chamber of Commerce to editors of agricultural journals, educators, farmers and business men in an endeavor to interest them in the Country Life convention in Spokane on November 17 in connection with the National Apple show.

The committee is working with state commissions in accordance with preliminary plans formulated at the conference in Spokane last November. These commissions are made up as follows:

Washington—David Brown, Spokane, chairman; A. L. Rogers, Waterville; J. L. Dumas, Dayton; Miss Mary Carpenter, Bellingham; and W. H. Paulhamus, Puyallup.

Oregon—C. E. Whisler, Medford, chairman; Edwin Mays, Flanagan; E. H. Shepard, Hood River; George A. Dorris, Eugene, and T. L. Reynolds, Salem.

Idaho—Ralph E. Schneeloch, Jerome, chairman; H. T. French, Caldwell; Mrs. Mary G. Butterfield, Weiser; Miss Alice Beach, Blackfoot, and B. T. Byrnes, Omscoy.

Montana—J. H. Durston, Anaconda, chairman; F. S. Cooley, Bozeman; M. L. Dean, Missoula; Mrs. C. E. Conrad, Kalispell and Mrs. H. B. Mitchell, Great Falls.

The purpose of the convention is to hear comments upon the country life hall, which is part of the consolidated rural school and community center project, with a view to working out a practical plan to be agreed upon by the convention. It is the purpose to begin work soon upon the community center in Spokane county, the first to be established in the United States, and upon its success depends largely the creation of similar districts in many other parts of the Northwest.

The plan, outlined at the conference here last year, has since attracted the attention of the foremost educators and sociologists of the world, who see in its adoption the solution of the problem of how to improve and popularize farm life and agricultural pursuits, while its projectors believe the practical application of the idea will do more than any other popular movement to attract a desirable class of home makers and producers to the sparsely settled districts of the Northwestern and Pacific states.

Vote No on Annexation.

The portion of Washington county proposed to be annexed to the Multnomah is seven miles wide, contains 112 of our 730 sections, four and a half of our fifteen millions of taxable property, one-fourth of our voters and population and one-half of our railroad mileage. Five hundred voters of this strip have signed a remonstrance against annexation—a clear majority, as less than 300 signed the petition and about 900 votes were cast at the last election. In addition to the many who favored annexation now oppose it and say the cut was made too deep. We ask you to vote No on Washington-Multnomah division.—W. D. Wood, chairman Anti-Annexation committee, Hillsboro, Oregon. (Paid Advertisement.)

TRY THIS FOR CATARRH.

Get a HYOMEI (pronounce it High-o-me) outfit today. Pour a few drops from the bottle into the inhaler that comes with each outfit, and breathe in it four or five times a day.

Immediately you will know that HYOMEI soothes and heals the inflamed and irritated membrane.

But HYOMEI does more than soothe and heal; it kills the germs, those persevering pests that are at the root of all catarrhal conditions.

"Last year I suffered terribly with catarrh. I used one bottle of HYOMEI, and my catarrh was better."

—Miss Helen McNair, Loyalton, Cal.

A complete HYOMEI outfit, including a bottle of HYOMEI, a hard rubber pocket inhaler and simple instructions for use, costs only \$1.00. If you now own a Hyomei inhaler, you can get an extra bottle of Hyomei for only 50 cents at Chas. Strang's drug store, and druggists everywhere.

Guaranteed to cure catarrh, croup, asthma and sore throat, or money back.

If you never "lose any time" except that spent in fruitlessly answering want ads, you'll get along!

Triangle 5 Ply Collars

A better collar never was shown in the city of Medford. Every man who buys these collars comes back for more. The reason is they are the only five-ply collars on the market and that they wear so much longer than anything to be found at anything near the price. Just come and try these collars—we'll guarantee that you will always use them.

New Neckwear

New lines of fine neckwear, mufflers, silk scarfs, etc. If you want neckwear of quality, neckwear that shows style and durability and a combination of the very newest styles, we would like to have you call here and see our line.

The assortments are complete and you can buy just as many as you desire.

THE HOME OF GOOD SHOES

Butte Falls Items

We would fill several more houses with tenants if we had the houses ready for occupancy, but as our mill has been delayed by the installation of the new machinery we have not had the building material on hand, but this will not be the case any longer, as the mill is ready to fill all orders as fast as they can saw the timber.

The Crater Lake Lumber company is hauling all of its stored lumber to a point on the railroad for shipment and from the stir around there it is quite likely that there is some important move on foot.

I only wish that our county commissioners had to travel over our roads and ford some of our streams, where there are no foot crossings, especially the one at Palous, and they might see that our complaints are not groundless. I certainly hope the people will vote for the amendment and allow counties to bond and that we will have an intelligent, scientific road construction and this annual waste of money and labor be a thing of the past.

Quite a number of valley parties are passing through town on their way to the hills for hunting.

Charles Edmonson has a large logging contract for the mill and is working to finish it before the winter rains sets in.

Mrs. Robinson of Eagle Point, who

has been working at the Dupray hotel with her son, will remove to the valley soon and take up her residence there.

The Rev. Mr. Jones is making a hand in the erection of the new Presbyterian home for the pastor. He is the right man in the right place and we sincerely hope he may be successful in his work.

Ralph Tucker of Brownsboro brought in for J. P. Hughes several hundred pounds of fine Spitzenberg apples.

Mr. J. P. Hughes received a large consignment of splendid country butter on Thursday and is expecting many goods by freight as his business is growing daily.

Mr. Thomas, who has been living in the Fredenburgh home, is about to return to Eagle Point as he has nearly finished his railroad contract.

Several new homes are under construction and the builders are busy getting them under cover.

The N. B. Stoddard house is nearly completed and will be a tasty and comfortable home.

On all sides are evidences of progress, from a material point of view, and it is expected that the near coming of the railroad will bring with it an advance and increased population of desirable citizens.

Ed Cowden is kept busy hauling, as is also Uncle Ben Edmonson, lumber for the new homes being built.

After Imperial Cotton.

LOS ANGELES, Cal., Oct. 24.—R. Aria, vice president of the Japanese firm of Mirimura & Aria, cotton importers of Yokohama, is in Los Angeles today, determined to secure the greater part of this season's cotton crop in the Imperial valley. Bidding for the crop, which will be nearly 100 per cent more than when the experiment of cotton growing in California was made last year, is expected to be spirited.

L. R. Cardwell of Gold Hill was in Medford on a business visit Monday.

J. P. Price of Silver Lake, Oregon, is in Medford on a business visit of several days.

Mr. and Mrs. E. L. Cannon of Roseburg are in Medford on a short visit.

S. A. Pattison of Central Point was a Medford business visitor Monday.

J. E. Witt was a Central Point visitor Sunday.

Clyde Fitch's Great Drama 'The City' Coming

"The City," the last and by competent critics considered the greatest play written by the late Clyde Fitch, comes to the Medford theater on Wednesday, October 26th. This will be its first presentation in Medford, coming directly from a year's run at the Lyric theater, New York, where the drama created a veritable sensation and was the talk of the metropolis for months.

"The City" is the story of the Rand family, prosperous, ambitious,

not over-scrupulous, who move to New York city from an up state village and there meet with various disasters.

There is a skeleton in the closet in the form of George Frederick Shannon, a "dope fiend," a degenerate, a blackmailer and the illegitimate son of the head of the family. The father dies suddenly and when the family settle in the city of Hancock becomes confidential secretary to the then master of the house,

George Rand Jr., the younger sister, and Hancock, ignorant of their true relationship, fall in love and are married.

When Rand learns of this he is horror stricken, tells Hancock the truth, and declares that the marriage is no marriage. Hancock still persists in his determination to take Cicely away with him, having been discharged by his employer, and when Rand calls in his sister to explain the situation to her, Hancock

nerved for once to act the man, draws a revolver and shoots the girl through the heart.

The Messrs. Shuber are sending an exceptional cast of players in "The City." Norman Hackett will play George Rand, Jr., and Geoffrey C. Stein will be seen as Hancock. Other well known members of the company are Mrs. Josephine Florence Shepherd, Ethel Martin, Suzanne Willa, Arthur S. Hull, Mario Majaroni, etc. Seats on sale at Haskins.
