

THE MAIL TRIBUNE'S CONTEST CLOSES SATURDAY NIGHT AT MIDNIGHT

Indications Point to a Furious Finish and New Subscribers Will Play an Important Part in Deciding Who Will be Winners. Public Interest at a High Pitch--Everything is Ready for the Final Rush.

Candidates line up forces to close campaign

The Battle of Ballots Will Wager Tomorrow and Saturday. Claims and Counter Claims of Candidates and Their Friends Indicate that the Final Outcome is in Doubt,

CONTEST JUDGES.
Following are the names of the judges who will canvass the votes cast during the Mail Tribune Great Contest and decide who the winners will be:
JOHN A. ORTH, Cashier, Medford National Bank.
W. H. M'GOWAN, of the Weeks & McGowan Furniture Co.
WILLIAM ISAACS, President of The Toggery.

This is written merely as a matter of caution, and it is the utmost importance that all candidates, and others interested, especially those candidates outside of the city, and who every line of it. We would dislike to see any candidate lose any votes because of the excitement that is sure to come during the last days of the contest or because of any misunderstanding on their part. It is impossible for you to exercise too much care in arriving at a full understanding of the rules and conditions governing the closing of the contest.

Look over the above conditions carefully. Do not make any mistake that you are absolutely sure of. A full meaning if the precaution of careful reading is observed to closely register your votes not cast because they do not conform to the rules of the contest. Ask questions until everything is perfectly clear. The Mail Tribune's gigantic voting contest has only two more days to run. Gather a few more votes. The subscription that you have between now and Saturday night at 12 o'clock may be the means of winning one of the many high prizes. It is a fact that four of these prizes are to be given away in each of the districts, and in one district the grand prize will go to some bustling contestant. This is not a luck contest, but a contest where you have to get the votes in order to win one of these beautiful prizes.

Get the Voters. The contest editor has done his part to make clear the conditions under which the votes must be registered to the end that they may be counted. It is up to each voter to do just what he wants to utter a few words of caution to the contestants. Of course there is no much use of advising anybody against the practice of holding out votes and trying to deceive competitors by a show of indifference. This is a matter for the contestant to decide for himself. The essential thing is to get the votes being held out now, and one who has been watching the contest would be justified in assuming that there are why they had better be in this office in time.

A PLEA FOR THE HIGH SCHOOL FUND
Mr. Voter!
If you believe in progressive education, if you believe that Jackson county should lead in educational matters as she does in material resources; if you believe that there is no greater resource for attracting and building a desirable class of citizens than our public schools; if you believe that the boy and girl on the farm are entitled to the same school advantages as is accorded those in the city, vote "yes" on the question of creating a county high school fund for Jackson county. The number on the official ballot is
FOR COUNTY HIGH SCHOOL FUND.
S1 X YES.

JAP CAUGHT BY POLICE THOUGHT TO BE SLAYER
PORTLAND, Or., Oct. 27.—A Japanese who gave the name of Kondo, but whom the police suspect of being Aikichi Marakami, wanted for murder at Sacramento, is being held by the police here today.

The man was arrested at Linnton by police detectives, who acted on information forwarded by the Japanese association of Sacramento.

Princeton Team Weak.
NEW YORK, Oct. 27.—Princeton bids fair to secure the distinction of running as poorly as Yale this year on eastern gridirons, according to critics today. Few bets on Princeton are recorded for the game Saturday with Dartmouth. The supporters of the orange and black team are very few, as yesterday's practice was the poorest in which the Princeton players have engaged in this year.

Be an Optimist for One Day.
"The difference between the Optimist and the Pessimist is droll; The Optimist eats the doughnut, The Pessimist gnaws the hole."
If there ever was a city or a time when optimism and prosperity went hand in hand, that city is Medford; that time is now, and five years from now Medford will be one of the leading cities of the Pacific coast, and the close-in residence lots that I am selling on East Main street will be the choicest residence part of the city. Now selling at \$600 to \$900 per lot. Let us talk to you and show you the property. It will pay you.

The Girl Who Lives Alone

whether she attends college or goes to business, needs the Perfection Oil Heater. It will heat a cold, cheerless boarding house or dormitory room and make it livable. It is always a ready help in the many things women do for themselves in their rooms. With the damper top opened it will heat water for tea or cocoa; it will dry the small articles that a woman prefers to wash herself in her own room. It will quickly heat an iron or curling tongs; quickly dry wet shoes or skirts—an ever ready help for the woman who lives alone, dependent on her own resources. The

PERFECTION
SMOKELESS OIL HEATER
Absolutely smokeless and odorless

is invaluable in its capacity of quickly giving heat. It will burn nine hours with one filling. It is safe, smokeless and odorless; has a cool handle and a damper top.
An indicator shows the amount of oil in the font. The filler-cap is put in like a cork in a bottle, and is attached to the font by a chain. It has an automatic-locking flame spreader, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so the wick can be quickly cleaned.
The burner body or gallery cannot become wedged, and can be unscrewed in an instant for reworking. Finished in japan or nickel, strong, durable, well-made, built for service, and yet light and ornamental.
