

SMITH ELATED OVER PROSPECTS

Democratic Nominee for Congressman Meets With Remarkable Cordiality—Many Progressive Republicans Pledging Him Support.

PORTLAND, Oct. 29.—Robert G. Smith, democratic nominee for congress in the first district, invaded Washington county yesterday, speaking to a large and enthusiastic audience at Forest Grove and closing his campaign in that county with an address at Hillsboro tonight.

"I am told not only by democrats but by republicans, that I have had larger and more enthusiastic audiences all over my district than either Bowerman or Hawley," said Smith when seen in the city today. "I am meeting with a cordial reception all over the first district and have received the assurance of an immense republican support. Every indication points to my receiving a good majority in Clackamas, Jackson, Josephine, Yamhill, Coos and Curry counties, and I expect to break even in the other counties in the district. Even in Marion county, the home of my opponent, I am going to get a big republican vote."

Monday and Tuesday of next week Mr. Smith will campaign in Lane county, speaking at Eugene on Monday night and Springfield Tuesday night. Wednesday and Thursday is to be spent in Douglas county with an address at Drain Wednesday night, Oakland Thursday afternoon and at Roseburg Thursday night, with Dr. Harry Lane. Friday Mr. Smith leaves for Coos county. He will speak at Myrtle Point Friday night, Coquille Saturday night. Sunday he will spend at Bandon and Monday will close his campaign with addresses at North Bend and Marshfield.

HARD LUCK REPEATEDLY CROSSES YALE'S GOAL LINE

NEW HAVEN, Conn., Oct. 29.—The Yale campus is shrouded in gloom, the traditional Yale luck has flown and the football team is further weakened today by the loss of Francis, one of its veterans, who broke an arm at football practice yesterday. The outlook for success against Eli's ancient enemies is the blackest a Yale team has ever faced.

Vote No on Annexation.

The portion of Washington county proposed to be annexed to the Multnomah is seven miles wide, contains 112 of our 730 sections, four and a half of our fifteen millions of taxable property, one-fourth of our voters and population and one-half of our railroad mileage. Five hundred voters of this strip have signed a remonstrance against annexation—a clear majority, as less than 300 signed the petition and about 900 votes were cast at the last general election. In addition to the many who favored annexation now oppose it and say the cut was made too deep. We ask you to vote No on Washington-Multnomah division.—W. D. Wood, chairman Anti-Annexation committee, Hillsboro, Oregon. (Paid Advertisement.)

THE LADIES' FAVORITE.

Wherever Parisian Sage is Known It Has the Call.

Parisian Sage, that most efficient of all hair restorers, is a very delightful and refreshing hair dressing. Besides possessing these qualities it will positively make any woman's hair soft, luxuriant and attractive. Chas. Strang sells it for 50 cents a large bottle and will return your money if it does not cure dandruff, falling hair and itching scalp in two weeks.

"I had given up hopes of ever being cured of dandruff when I purchased a bottle of Parisian Sage. It has entirely removed the dandruff and has started a growth of new hair, and all this after having been troubled 15 years. I cheerfully recommend Parisian Sage."—Mrs. Elizabeth Anderson, Mechanicsburg, Pa.

For sale and recommended by Leon B. Haskins.

There is nothing new about the idea of using sage for restoring the color of the hair. Our great-grandmothers kept their locks soft, dark and glossy by using a "sage tea." Whenever their hair fell out or took on a dull, faded or streaked appearance, they made a brew of sage leaves and applied it to their hair with wonderful beneficial effect. Nowadays we don't have to resort to the old-time, tiresome method of gathering the herbs and making the brew. This is done by skillful chemists better than we could do it ourselves, and all we have to do is to call for the ready-made product. Wyeth's Sage and Sulphur, containing sage in the proper strength, with the addition of Sulphur, another old-time scalp remedy. This preparation is sold by all first-class druggists for 50c. and \$1.00 a bottle, or is sent direct by the Wyeth Chemical Company, 74 Cortlandt St., New York City, upon receipt of price.

As good advertising is a vital part of store service, a good store must be advertised.
