WOODS LUMBER CO.**STRAUS MAY BE FORCED TO RETAIN POSITION**

WASHINGTON, Oct. 29.—Whether Oscar Straus will be allowed to retire as American ambassador to Turkey is a question which is being discussed widely in diplomatic circles today. It has become known that Straus, who is now in this country, has expressed his wish to leave the ambassadorship and resume life in America. A number of important matters are before the government officials in Turkey, one being an application by an American concern to build a railroad at a cost of \$50,000,000. This project is opposed by Germany. Both President Taft and Secretary of State Knox, it is said, oppose Straus' withdrawal at this time.

COMMITTEE FAILS TO REPORT ON INITIATIVE

PHOENIX, Ariz., Oct. 29.—Interest of the delegates to the constitutional convention centered today about the expected report of the legislative committee on the proposed initiative and referendum clauses for the new state constitution. The committee, however, failed to complete its work and the convention was compelled to declare a recess after a 15 minutes' session. It is generally believed that the committee will return a report leaving blank the percentage of voters' signatures necessary to secure the application of the initiative and referendum. Eight per cent of the initiative and five of the referendum, however, are believed to be favored by a majority of the delegates.

WIRES TEDDY TO GET HIM OUT OF JAIL

ELLENSBURG, Wash., Oct. 29.—Louis Bueker, sentenced to 30 days in jail for stealing a bicycle, has asked that Colonel Roosevelt be notified of his plight instantly. He sent a telegram to the colonel as follows: "Hon. T. Roosevelt: I am deprived of my personal liberty without due process of law. I know there is no use to appeal to President Taft, as he is a standpatter, and can expect no relief from him or Ballinger. Order my release and I will support you in 1912."

Killed for a Deer.

VANCOUVER, B. C., Oct. 29.—Dana B. Gibson, 23, a native of New York, is dead today because his com-

panion mistook him for a deer while hunting north of Vancouver. This homicide is the sixth in British Columbia since the opening of the hunting season.

Gibson was shot by his companion, Charles S. Young, of North Vancouver.

Poor Showing by Roller.

CHICAGO, Oct. 29.—Dr. H. F. Riller, of Seattle, must do better than he did last night against "Mysterious Waffles" if he hopes to succeed Frank Gotch as champion wrestler of the world. Roller was busy for 17 minutes in a hard tussle before he landed the "mystery" flatter than the pancakes grandma used to make. When he acquired the knack, however, Roller threw the "Waffle" again within a minute.

BRYAN OUT AFTER SCALP OF DALHAM

LINCOLN, Neb., Oct. 29.—William J. Bryan has admitted he intends to fight Mayor James Dahlman of Omaha, democratic candidate for the governorship. Monday night, when Bryan speaks here, giving his views on Dahlman and urging the people to vote against him, he will have only begun the campaign he intends to make. It is announced that the former presidential candidate will stump Nebraska, paying his own expenses, denouncing Dahlman in most of the important cities and towns in the state.

Dahlman opposed Bryan's local option ideas and won the nomination for the governorship over Governor Shallenberger by a small plurality.

In his campaign Dahlman made a personal fight against Bryan and his option ideas. At the opening of the campaign Bryan refused to take the stump for the Omaha candidate, but offered to speak for the other democratic nominees. The democratic executive committee promptly rejected Bryan's offer.

Officers After Cracksmen.

FRESNO, Cal., Oct. 29.—Sheriff Crittendon and a posse of deputies are in hot pursuit of three cracksmen who early today blew open the safe of the postoffice at Laton and escaped with \$40 in stamps and \$500 in currency. Three explosions shortly after 2 o'clock awoke citizens of Laton, who reached the postoffice in time to see the three robbers disappear in a stolen buggy.

FIVE BUSHELS SEED; 2500 BUSHELS CROP

From five bushels of seed corn J. Stillwell Vilas has harvested 2500 bushels on his orchard in Big Sticky. The corn was planted between rows of young trees and was grown without irrigation, yielding an average of 50 bushels an acre. The ears are large and the kernels well filled.

Davis to St. Louis.

ST. LOUIS, Oct. 29.—Baseball fans here have become elated over a report that Harry Davis, the field general of the champion Athletics, will don a St. Louis American uniform next season and manage the Browns. President Hedges of the club refuses today either to deny or confirm the report.
