

TO DEFEAT ALL ASSEMBLY MEN

Gold Hill Anti-Assembly Club Will
Work to That End—An Enthusiastic Meeting—Resolutions Adopted Condemning Bowerman, Etc.

GOLD HILL, Or., Oct. 29.—Endorsing the candidature of Oswald West for governor, Robert G. Smith for congressman, Henry D. Reed for joint representative, and of all other anti-assembly aspirants for office, Gold Hill Anti-Assembly club had the most enthusiastic meeting held since its organization two months ago, Wednesday evening. Among the speakers were J. H. Berman, Dr. Chisholm, Riley Hammarley, F. W. Dodge, G. W. Landis and H. D. Reed. All were vigorous in their denunciation of the assembly, characterizing it as an attempt to restore the old corrupt convention system. The candidacies of Bowerman, Hawley and Buchanan were denounced as being inimical to the people's interests. Oswald West's services to the people as railroad commissioner and state land agent were several times mentioned. The sentiment of the meeting was crystallized in a strong set of resolutions drafted by F. W. Dodge.

RUGS AND LACE CURTAINS

YOU CAN'T BUY RUGS BY THE YARD.

Ask any jeweler and he will tell you that you can't buy diamonds by the carat. That a small, perfect diamond is worth a lot more than a big yellow one with a flaw in it. It's the same with rugs. We have a lot of rugs here of various values. They are all worth what we ask for them. For your own safety don't imagine that every 9x12 rug is the same quality—they are not. Come and see what we are offering and you will be better posted and can know that we are saving our customers money.

Renown Ranges

Ever investigate a Renown Range? Come and see them and learn how they are constructed and how many we are selling. We can refer you to users of "Renown Ranges" and they will tell you that they are getting excellent satisfaction. In the "Renown" you get all the good points of the very best stoves—no unnecessary additions put in to deceive the public and make the range sell for a little more without getting any more value for the money you spend.

Before buying a range, come here and see the "Renown."

Kitchen Cabinets

Imitators can't compete with the "Hoosier."

When a thing is good it is imitated. Practically every kitchen cabinet made is modeled after the "Hoosier." But you won't find in any other cabinet the high grade material, the splendid craftsmanship, the fine, durable finish, that distinguishes every Hoosier Kitchen Cabinet. Hoosier kitchen cabinets are made to last a lifetime—save a few thousand steps and two hours' time every day. They cost no more than the common kind.

Said the Mistress to Her Maid:

"You have no idea, Jennie, what a snap it is to do the ironing with an electrical flatiron. It's twice as easy and twice as quick as using the old fashioned stove irons. You need no fire, never have to change your iron, save all the footsteps between board and stove, and there is no soot whatever to soil the clothes."

We have the General Electric flatiron for users of electric light to connect to lamp sockets already in the house. Let us send you one on trial.

ALL OF HER 40,000 PRAYERS ANSWERED
GOLFRIDGE, Me., Oct. 29.—Known throughout this section of Maine as "The Praying Woman of Aroostook," Mrs. Rufina M. Osgood has composed 40,000 prayers and can repeat every one of them from memory. She was born in Sherman Mills in 1859, and has taught 54 terms of common school. Since she joined the Baptist church in early life each one of her 40,000 prayers,

she says, has been answered. She has composed over 200 sacred poems. In 1891 she entered the Western Maine Normal school in Gorham and was graduated in 1893. Since receiving her diploma, Mrs. Osgood has devoted much time to soliciting money for new churches in remote farming communities. In fulfillment of a vow she is now laboring zealously to build two more churches in the northern part of the county.

TRIPLETS BORN FRIDAY; MOTHER AT WORK SUNDAY
CLEVELAND, O., Oct. 29.—Too late for the census, but earnestly doing her share in Cleveland's remarkable growth, Mrs. William G. Clark Friday became the mother of her third set of triplets. Today, busy at her housework, she showed the family Bible, which displayed the fact that she is also the mother of four pairs of twins, and that she herself

is the only sister of 20 brothers. Two pairs of twins and one set of triplets were born during Mrs. Clark's first marriage and the rest of the 17 children came in groups during her second marriage.
