FIFTH YEAR.

MEDFORD, OREGON, SUNDAY, OCTOBER 30, 4910.

IN MEDFORD'S SOCIAL REALM

***************************** The Greater Medford club will hold its regular monthly meeting Monday, October 21, in the small hall of the "Nat." Members are requested to attend at 2:30 o'clock. A full attendance is required.

The Greater Medford club is making an effort to increase its membership as much as possible this year, and if each member brings in only one new member the club will be doubled in size. The Greater Medford club wants to be as representative a club of women as the Commercial club is of men, and it is to be hoped that the wife of each Commercial club member will become a member of the Greater Medford club and bring in another member. The club holds its regular meeting the last Monday in each month, and any woman interested in the civic improvement of Medford is asked to become a member. It is the plan of the club to give an

informal reception occasionally, so that the members may become better acquainted. A full attendance is requested at the next meeting. October 31, at 2:30 o'clock, as the tree planting committee will be appointed; also the committees for taking charge of the art exhibit. which will be here next month. This

loan exhibit is composed of reproductions of the old masters, and also of the more modern works. The ladies do not expect to make money out of it-simply enough to pay the expenses of getting the pictures here. The school children are especially asked to attend, and members of the club will be present to explain any of the pictures to those destring information. A very nominal fee will be asked, which will be within the reach of everybody.
