

EVENTS AT THE THIRD NATIONAL APPLE SHOW

Among the features will be the free apple packing school conducted every forenoon under the direction of J. M. Carroll and A. P. Bateman. We have instituted this school because of the educational value to the growers and to help relieve the demand for apple packers which far exceeds the present supply.

Monday, November 14, the opening day, will witness the first "five wire convention" in the northwest. We have arranged this feature because apple culture is being encouraged and fostered through the commercial bodies and we deem it proper that they should have formal recognition on this occasion.

On the opening night the queen's coronation will take place. This will be a magnificent spectacle, produced with all pomp and ceremony appropriate for such an event.

Ladies' and children's day will be Tuesday, November 15, when the public schools of Spokane will close in order that the children may visit this exhibition, our school board considering our show of educational value to the pupils.

On Wednesday, November 16, we will have an apple packing contest among experts from all over the northwest, who will compete for cash prizes.

Thursday, November 17, will be country life day, celebrated with appropriate program and a convention of all persons interested in this big movement.

Friday, November 18, will be known as college day, when the faculties and students of all northwestern colleges have been invited to attend and enjoy special programs in their interest.

GRAND JURY CONSIDERING TIMES DYNAMITE CASE

LOS ANGELES, Oct. 31.—The jury summoned by Coroner Hartwell to pass upon the deaths of the twenty-one victims of the Times dynamite explosion, met today. Eleven witnesses had been summoned and the taking of testimony began at once. The first witness called was Herbert C. Leonard, a night clerk in the advertising office of the Times. He described the physical features of the explosion and declared that there were two distinct detonations. The second almost as great in volume as the first. Leonard was followed by W. E. Tribet, an employee who was reading in the editorial room when the explosion occurred. Tribet testified that he did not smell gas before the explosion, although he noticed an odor similar to gas which, he said, was always noticeable near a stereotyping machine.

CATARRH SUFFERERS

Good Thing to Know. If you now own a Hyomei hard rubber inhaler, Chas. Strang wants you to know that he will sell you a bottle of HYOMEI for only 50 cents. Remember this, all who suffer with catarrh—a bottle of HYOMEI (pronounced High-o-me) is put up in a separate package and sold for 50 cents, to accommodate the vast army of people who already own a Hyomei inhaler.

Chas. Strang will sell it to you at that price and give you the opportunity to begin at once to rid yourself of vile catarrh and the snuffling, hawking and spitting that go with it. Many people through years of neglect have let catarrh get a strong hold upon them. Some of these people unreasonably think that one bottle of HYOMEI ought to cure them. No matter how chronic your catarrhal troubles, HYOMEI is guaranteed by Chas. Strang to cure them if you give it half a chance. Just breathe it, that's all, and its healing, soothing, antiseptic properties will make you feel better in a day.

If you own an inhaler get a 50-cent bottle of HYOMEI today. If you do not own a Hyomei inhaler, ask for a \$1.00 outfit, which includes inhaler.
