The Peoples' Store

We are striving hard to make this the people's store—a store where every man, woman and child in the city or in the whole of southern Oregon will delight to come to and do their trading. We want every person within a radius of 50 miles to come to know this store and believe in it, too.

We will make the lowest prices that good goods can be sold for and will never offer anything that is not first class in every particular.

Our Specialties

We will make specialties of
 PURE WHITE Flour and GOLDEN GATE Coffee.

If you ever used either of these brands you know that they stand second to none on the market.

TWO MORE DAYS' WORK ON ROADS

Should clear weather continue until Wednesday the Pacific & Eastern will be running trains into Butte Falls. Three miles of the road have not been ballasted and the recent rains have softened the roadbed so that it is impossible to run a heavy engine over it.

However, with two more days to work in, the company expects to have the road in shape for traffic.
