Lacking a better mode of expression and having no other means of reaching them all, we take this way of acknowledging our earnest and sincere appreciation of the great kindness and consideration shown us by both acquaintances and strangers in our recent bereavement, and especially wish to thank our friends for their assistance and thoughtfulness.

As many of our friends have chosen to do their good deeds anonymously, we are unable to give them personal assurances of our appreciation and can only ask them to accept this acknowledgment instead in the spirit in which it is made.

We are, very gratefully,
