AN UNUSUAL GUARANTEE. It is very unusual to guarantee a cooking fat, but your grocer is authorized to make you this unqualified offer—if you do not find Cottolene perfectly satisfactory, he will cheerfully refund your money. There is a reason why he can do this. Cottolene is purer and more wholesome than lard or other cooking fats; moreover, it is packed in air-tight pails, which keep it fresh indefinitely. You wouldn't buy so-called "fresh" eggs when you could get "guaranteed fresh" eggs at practically the same price. Why, then, take chances with other cooking fats, when Cottolene is absolutely guaranteed?
