You are enterprising and progressive, all right, but I sometimes wonder if you would have had the nerve to start on a six months' journey with ox teams across an unknown country, with unknown possibilities at the end."

ALL MY PIMPLES GONE

Girl Tells How a Blotchy Skin Was Cleaned By a Simple Wash.

"I was ashamed of my face," writes Miss Minnie Pickard of Altamahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities.

The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.

D. D. D. is pleasant to use, perfectly harmless to the most delicate skin, and absolutely reliable. A 25-cent bottle will give you positive proof of the wonderful effectiveness of this great remedy.

CONSPIRACY AGAINST RAILROAD IS CHARGED

CHICAGO, Ill., Nov. 25.—Charging that a conspiracy existed to defraud the Illinois Central railroad out of \$800,000, the grand jury today returned indictments against Frank B. Harrison, former general manager; John M. Taylor, former storekeeper; Charles E. Wing, ex-superintendent of northern lines; and Joseph E. Baker, superintendent of the war department.

Cottolene

Perfect Piecrust

A lady recently visited a friend in Keene, N. H., whose husband was very delicate, and yet she noticed that he could eat all the pie he wanted. She began to wonder how it was that he could do it, when she had to give up this delicacy because of disagreeable after-effects. She writes as follows:

"I found it was because the pies were made with Cottolene; and as I am a great lover of pie, I began using Cottolene, and have never had a bit of lard in the house since that time. I now enjoy my pie, as it does not give heart-burn as formerly."

Cottolene makes crisp, flaky, digestible piecrust, that tastes good, and that can be digested by any stomach. The reason is that Cottolene is a pure, vegetable oil product, containing no hog-fat.
