

WILMEROOTH IS BACK FROM SHOW

Has High Praise for Ashland Exhibit at Spokane—Will Leave Soon for Europe—Will Study the Apple Situation There.

C. W. Wilmeroth, manager of the Rogue River Valley Fruit and Produce association, returned from the Spokane apple show Friday.

"It was the color of the Spitzenbergs which won the sweepstakes as against the Rogue River valley car of Newtowns sent from the Helms orchard at Ashland. I never saw a finer exhibit of the yellow apples in my life, and I have handled quite a few apples in my time. But I wish to say that the exhibit was great in every respect, and the district which took second has nothing to be ashamed of. They can take great credit for taking second where 900 per cent was necessary to get in the running at all."

Mr. Wilmeroth is planning a trip to England soon. He will devote much of his time to a study of European apple markets.

"NAT" THEATRE GETS VAUDEVILLE

Sullivan & Considine's vaudeville at Nat theater next Monday, Tuesday, Wednesday and Friday nights and every week following on the above-mentioned days. Our first attraction will be the Heim children, on Monday and Tuesday nights, and Thomas Potter Dunn on Wednesday and Thursday nights. The Heim children are the cleverest juveniles on the American stage today, the recent laughter sensation that upset the paroxysmical equilibrium of New York. We present Thomas Potter Dunn for the first time on Wednesday and Thursday nights. Mr. Dunn has been making a hit everywhere in his cosmopolitan characterizations.

Change of vaudeville Monday and Wednesday nights. We change our pictures four times per week, Sunday, Monday, Wednesday and Friday. A change of pictures with every change of vaudeville. Remember, we show only straight pictures on Friday, Saturday and Sundays. Matinee every Sunday afternoon at 2:30. Our vaudeville nights are on every Monday, Tuesday, Wednesday and Thursday nights. We were unable to get the Sullivan & Considine vaudeville for more than four nights in one week, as the performers are compelled to leave here on Friday in order to fill their engagements in San Francisco Saturday nights. We want to please you and want your patronage.

Two shows—first begins at 7:15 second at 8:30. Admission on vaudeville nights, 10 and 20 cents; straight picture show nights, 10 cents. NAT THEATRE.

CRATER LAKE PARK IS NOW DESERTED

KLAMATH FALLS, Nov. 26.—J. P. Arant is down from the government headquarters in the Crater Lake national park, having come in one day this week. Mr. Arant, who is superintendent of the park, states that there was about two feet of snow at the government headquarters when he left, and from the amount that has fallen here within the past few days it is very probable that there is six or eight feet there now. Mr. Arant has closed the government quarters for the season and it is very probable that no one will make the trip to the camp again until spring.

REVOLUTION BREAKS OUT; TROOPS SENT

CONSTANTINOPLE, Nov. 26.—Advises received here today say a serious revolution has broken out in Yemen. Five battalions of troops commanded by Nahi Idrissi are reported to have defied the Turkish government by refusing to obey the orders of the governor of the province. Ten battalions of troops have been ordered to Yemen to crush the rebels.

Mr. and Mrs. V. E. Bent and son, accompanied by A. A. Hall, recently from New York, spent Thanksgiving day in Gold Hill as guests of Mr. and Mrs. W. E. Thompson.
