

Table Rock Items

K. W. Wyckoff of the Warren Construction company, was down from Portland last week looking over his property here.

Mr. and Mrs. S. C. Collins were visiting with Mr. and Mrs. Charles Foster at Ayers Spur a few days ago.

Mr. Duff, a prominent berry grower and shipper from Minnesota, who was an old acquaintance of J. H. Lydiard, is spending a short time at Table Rock visiting and teaching items in scientific apple culture. Mr. Duff is very much pleased with this country.

The old school house was sold at auction Saturday and was bought by S. K. Adams.

There is to be a special school meeting Saturday to vote a tax to carry on the school for the present year; the school clerk has taken the examination and found 45 in the

district between the ages of 4 and 20.

The boys at the Moseck orchard gave a dance Friday night. They report having a good time.

Saturday afternoon Volney Thompson with his brother started hunting, and was passing the school grounds while the sale was in progress and stopped to talk, and while doing so rested the end of his gun barrel on his right foot and carelessly, kept his finger on the trigger and discharged the gun. It was a 12-gauge shotgun, and it cut a hole through his foot just back of the third toe and took everything the size of the charge through into the ground. He was taken to Central Point immediately and Dr. Anderson dressed the wound and took off what was left of one toe, and he is getting along nicely at this time, but thinks he can find a better target next time.

Ashland Notes

The voters of Ashland are lining up in four groups and petitions are out for nominations of four different men, all willing to sacrifice themselves on the altar of fame to serve as mayor of the city of Ashland for the next two years, in the persons of ex-Councilman Ira Shouley, present Councilman F. W. Moore, the present mayor, R. N. Shell, who is willing to succeed himself in case the majority of the voters so desire, having given up to the persistent requests of his many friends, and R. P. Neil who has been identified with this city for many years, who, many claim is the logical man for the place.

The present administration has done a great deal of good and made many needed improvements. There is, however, some complaint on account of the unfinished condition of the municipal lighting plant, that was started more than two years ago under the administration of W. F. Loomis. Taxpayers of this city have been paying interest on \$80,000 worth of bonds during this time for which they have not received any benefits. It would seem imperative that this plant be completed soon as the contract with the old A. E. P. & L. Co. will soon expire when it will be necessary for the city to sign up for five years or go in the dark.

At the present time the people of Ashland are paying for thousands of

candle power more than they receive as what the old company call and charge as 16 candle power will not fight an ordinary room sufficiently to read a newspaper. An eight candle power in the cities under the full measure inspection law gives forth more light than one of our 16s here in Ashland.

Six families have arrived here lately from Madison, Wis., and are unable to get houses and are all living at the hotels for the present.

It is reported that a Seattle man will soon open the Five Points hotel, formerly known as the Vendome.

With N. D. Hardy in the Ashland hotel, who was formerly a hotel man in Seattle, and another Seattle man in the Five Points hotel, we will soon have some of the Seattle spirit in Ashland hotels.

The Elks' temple here was filled to overflowing Sunday, the occasion being the annual memorial services. After the opening services by Rev. Berry the audience was agreeably entertained by a splendid speech for the occasion delivered by Judge H. L. Benson. The Burnett quartet rendered some splendid selections.

The fine cluster light at the entrance of the Ashland city park which was erected by the Ladies' Civic club of this city is now throwing forth its rays to guide the strangers to our beautiful park.

TO WAGE WAR ON GAME KILLERS

Hunts to Be Held in All Counties of Eastern Washington to Destroy All Animals Which Prey On Game.

SPOKANE, Wn., Dec. 6.—Beginning December 15 and lasting for a month hunts will be held in practically every county of eastern Washington by sportsmen who have organized for the purpose of destroying all animals and birds that kill game.

It is proposed to divide the hunters into two opposing teams and the team which does the better work will be given a dinner by the losers.

Cougars, lynx, cats, mink, coyotes, weasels and hawks will be counted in the hunt.

Tom Hunter who has earned a reputation as a bear hunter in the northwest, will have charge of the hunt and will select the two teams. The hunt will be held under the auspices of the local game protective association.

PLANTING FOREST ON SNOW SHOES

Seeding Burned Areas Still Continues in Neighborhood of Cat Hill—Work is Being Done By Rangers On Snow Shoes—1500 Acres Yet.

The work of seeding the burned areas in the Crater national forest is being continued in spite of the fact that from two to three feet of snow covers the ground. Rangers on snowshoes are spreading the seed broadcast on the surface of the snow.

The rangers have already planted some 300 or 600 acres of burned over land in the Cat Hill district, and there still remains some 1500 acres to be planted. The work will be continued for a month yet at least.

Supervisor M. L. Erickson is in receipt of seed from the big Sequoia grove in California and will plant this within the forest, so that Southern Oregon may also boast of some big trees in the course of the next 100 years.

HUGGING MATCH IS PULLED OFF SEASON LIST IS SUSPENDED

After Training Strenuously On Cigarettes Frankie Edwards and Kid Dalton Meet in Ring—Twas Not by Any Means a Fight.

The sparring exhibition last evening between Frankie Edwards of California and Kid Dalton of Detroit and well known to local fight followers, was all that could be expected from two men who had done nothing toward training more strenuous than rolling cigarettes.

Dalton, who has been credited by Medfordites as being very clever, after he had mystified Joe Wallace here last fall, was up against a man equally as clever and did not show to such advantage as when pitted against the slower man, Wallace.

The bout was scheduled to begin at 8 o'clock, but the police interfered and later secured permission from Mayor Cannon to allow the mill to proceed if in their opinion they thought everything was right. People in Medford who are opposed to prizefights have nothing to complain about, as the go last night was anything but a prizefight, the men hugging each other throughout the entire six rounds, and not hitting a blow that would embarrass a school boy.

Wants to Help Some One.

For thirty years J. F. Boyer of Fertile, Mo., needed help and couldn't find it. That's why he wants to help some one now. Suffering so long himself he feels for all distress from Backache, Nervousness, Loss of Appetite, Lassitude and Kidney disorders. He shows that Electric Bitters work wonders for such troubles. "Five bottles," he writes, "wholly cured me and now I am well and hearty." It's also positively guaranteed for Liver Trouble, Dyspepsia, Blood Disorders, Female Complaints and Malaria. Try them. 50c at all druggists.

Medford Mail Tribune Want ads are business bringers.

No Longer Will Tickets Be Held for the Season by Manager Hazelrigg—Future Rule Will Be "First Come, First Served."

To My Patrons: Hereafter there will be no so-called "season list" of tickets at my house. As you all know, I have been holding seats for regular patrons for every show, the only condition I made was that I should be notified by 10 o'clock on the day of the show that the seats were not wanted, otherwise they were to be paid for whether used or not.

But a number of patrons seem to think that because they forgot to notify me, they should not be held to this rule, some even cancelling as late as 7 o'clock on the night of a performance. And as I can't afford to have any ill feelings in the matter, even if one-half the list only is affected, I have decided to cut out the season list. Hereafter "first come first served" will be our motto.

CHAS. D. HAZELRIGG.

Your favorite store's usefulness to you is cut in half unless you follow its advertising pretty closely—for advertising is the right arm of store service.

AN EASY AND HARMLESS WAY TO DARKEN THE HAIR.

Who does not know of the value of sage and sulphur for keeping the hair dark, soft, glossy and in good condition? As a matter of fact, sulphur is a natural element of hair, and a deficiency of it in the hair is held by many scalp specialists to be connected with loss of color and vitality of the hair. Unquestionably, there is no better remedy for hair and scalp troubles, especially premature grayness, than sage and sulphur, if properly prepared. The Wreth Chemical Company, 74 Cortlandt St., New York City, put up an ideal preparation of this kind, called Wreth's Sage and Sulphur. It is sold by all leading druggists for 50c, and \$1.00 a bottle, or is sent direct by the manufacturers upon receipt of price.

For sale and recommended by Leon B. Haskins.

Saved From Awful Death.

How an appalling calamity in his family was prevented is told by A. B. McDonald of Fayetteville, N. C., R. F. No. 8. "My sister had consumption," he writes, "she was very thin and pale, had no appetite and seemed to grow weaker ever day, as all remedies failed, till Dr. King's New Discovery was tried, and so completely cured her that she has not been troubled with a cough since. Its best medicine I ever saw or heard of." For coughs, colds, influenza, asthma, croup, hemorrhage, all bronchial troubles, it has no equal, 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

Wednesday Study Club.

The meeting of the Wednesday Study club of December 28 on calendar will be held at the home of Mrs. Pickel Wednesday, December 7. The subject for discussion will be "The Oriental Rug Maker and His Art." The next regular meeting will take place at Mrs. English's, December 14. Subject, "Art in Common Things."

Haskins for health.
