All former attempts at merchandising by us or any other concern within 50 miles of this city will be eclipsed beyond all question. A hustle and a bustle through the entire big store that will wake mortal man from his slumbers and make other events appear as nothing compared with this sale. It will be a wonderful gathering of the people. We intend to clean up stock and the people get the benefit. We will raise the roof if necessary. **RAIN OR SHINE, THE BATTLE GOES ON.** We have put out our word to the people, and you know how well we have kept it. Our word to you will be our bond and there is not one item in this house or a half a dozen articles going to be put out for bait, as you will find many trying to do, but over 49,000 items, all at a price as never met mortal man's eyes before. From one end of this big store to the other you will see goods at the greatest price destruction figures you have ever seen, no matter which door you come in.
