

SAYS GREAT CORRUPTION

FUND HAS BEEN RAISED

TACOMA, Wash., Dec. 10.—Mayor Fawcett today declared in a letter to the editor of the Tacoma Times that he has information that a fund of between \$70,000 and \$75,000 is being subscribed by a certain organization to attempt to defeat the "anti-trading" law, which will go into effect here next Monday, the ordinance having been passed by the city commission Wednesday.

Tacoma saloon men are greatly wrought up because of the passage of the measure, and already petitions are being circulated with a view to using the referendum on the new law. Liquor dealers assert that 75 per cent of the saloons will be put out of business if the law is made operative. Mayor Fawcett indignantly denies the assertion that he is making a political play, and declares that he will move to take away the licenses of any saloons violating the law.

Haskins for health.

ORDINANCE NO. 444. An ordinance assessing the property adjacent to and benefited by the 8-inch lateral sewer constructed along Tripp street from East Main street to south end of Tripp street for the cost of constructing the same and providing the manner of carrying said assessments into full effect.

The city of Medford doth ordain as follows: Section 1. Whereas, the Council did heretofore provide by ordinance for the serving of the owners of property adjacent to and benefited by the construction of the lateral sewer hereinafter described to appear before said council and show cause, if any, why said property should not be assessed for the construction of said sewer, and did fix a time for hearing any such protests, which notice was given in accordance with said ordinance more than ten days before the beginning of the construction of said sewer, but no protests against said construction of assessment of the cost thereof was made by anyone and said sewer was by said Council ordered constructed.

And, whereas, the cost of the construction of said sewer has been and hereby is determined to be the sum of \$155,496. Now therefore, said city doth ordain and declare that each parcel of property described below is adjacent to and benefited by that certain lateral sewer 8 inches in size, constructed on Tripp street from East Main street to south end of Tripp street, and that the proportion of the cost of said sewer which each of said parcels of land should bear, based on the benefits derived respectively by said several tracts of land is the amount set opposite the description of each parcel below, that each of said parcels is actually benefited in the amount set opposite its description below by the construction of said sewer, and that said several amounts represent the proportional benefits of said several parcels from said sewer. And each of said parcels is hereby assessed the amount set opposite its description below for the construction of said sewer.
