Turn a Draught to Good Account

Often in winter you dare not open a window, even though the room be warm, because the cold air makes a draught that is dangerous. With a Perfection Oil Heater there need be no danger from draughts.

Open the lower part of the window a little, put the Perfection Oil Heater in front of it, and the cold draught will be turned into a pleasant, healthful current of fresh air. The

Absolutely smokeless and odorless

gives just as much heat as you desire. It is safe, odorless and smokeless. Has an automatic-locking flame spreader, which prevents the wick from being turned high enough to smoke, and is easy to remove to clean and drop back. Burner body or gallery cannot become wedged, because of a new device therefor; it can be easily and quickly unscrewed for rewicking.

An indicator shows the amount of oil in the font. Has a cool handle. Filler-cap is put in place like a cork in a bottle, and is attached to the font by a chain. Finished in japan or nickel, strong and durable, well-made, built for service, and yet light and ornamental.
