

MEDFORD BOY NOW A PRIEST

Rev. Father Charles Smith Will Say His First Mass on Christmas Day in the Local Catholic Church—Has Made Splendid Record.

The services on Christmas day at the Catholic church will be as follows: At midnight mass will be celebrated in St. Joseph's church at Jacksonville; first mass in Medford at 7:30 a. m.; second mass in Medford at 8 o'clock a. m.; third mass, which will be a solemn high mass, with assistance of deacon and subdeacon, will be celebrated by Rev. Charles Smith, Father Smith was ordained to the priesthood by the Most Rev. Archbishop Christie in the Cathedral church of Portland, and on Christmas day will celebrate his first mass in Medford at 10:30 o'clock a. m. At the evening services on Christmas day he will preach his first sermon. Father Smith was born in Chicago and is the son of Mrs. E. Smith of this city. He finished his classical studies at St. Mary's college in Kansas City and his philosophical and theological courses at the grand seminary of Montreal. Before beginning his philosophical course, Father Smith held several important positions both in New York and Chicago. The last position he held previous to his departure for Montreal was with a large business house in New York, where he earned a salary of \$300 per month. But he felt that he was called to labor not for that which perishes, but for that which endureth forever and to lay up treasures in heaven, where the moth does not consume nor thieves break through. He left the place he had so well and ably filled and which earned for him the gratitude of his employers. In token of their appreciation of his endeavors for them they sent him as a Christmas gift after his departure from New York a solid gold watch and chain. And now he is a priest of God, to labor for the poor of the master, for the salvation of others and the greater honor and glory of God. Christmas day of 1910 will be a red-letter day in the history of the Catholic church in Medford. We congratulate Rev. Charles Smith with his elevation to the priesthood and wish him a long and fruitful priestly life. We extend our best wishes to Mrs. E. Smith, who enjoys the rare privilege of seeing one of her sons ascend the steps of the altar.

INDIGESTION. Relief in Five Minutes and Permanent Cure or Money Back. When Charles Strang states that he has a remedy that only costs 50 cents and is guaranteed to cure any man or woman who suffers from food fermentation, or money back, what are the poor stomach sufferers in Medford and vicinity going to do about it? Food fermentation causes belching, sour stomach, gas eructation, heartburn and that lump of lead feeling as you probably know. The name of this most remarkable stomach prescription is MI-O-NA. Most people call them MI-O-NA stomach tablets because they know that there is no remedy so good for indigestion or stomach disorders. Here is one opinion: "I have been troubled with indigestion for more than a year. I bought one box of MI-O-NA and it cured me. Now I would not be without a box in the house for \$5.00. It saves a lot of doctor bills when you can be cured for 50 cents.—Arthur Soderquist, 6 Nichols St., Wakefield, Mass. MI-O-NA stomach tablets cost 50 cents a box at Chas. Strang's and druggists everywhere and money back if they don't cure.

WANT CONTEMPT LAWS CHANGED

Legislators in Spokane County Believe in Integrity of Courts, But Think That Judges Should Not Carry Matter Too Far.

SPokane, Wash., Dec. 22.—The sentiment for a change in the contempt laws, growing out of the conviction of two editors of the Seattle Star for contempt of court finds a ready response among the legislators of Spokane county. While all believe in the preservation of the dignity and integrity of the courts, yet the feeling is strong that a judge should be restrained from exercising the right of citation for contempt as a mere matter of venting his spleen. Senator Whitney, wealthy farmer, says: "Let the papers have the right to criticize when the criticism is just. The trouble is there is not enough criticism of the courts at times. "While I do not believe in the abuse of this right, I stand for the largest possible measure of freedom for the press." Senator George W. Shaeffer, attorney, favors the proposed bill taking the trial of a case for constructive contempt out of the hands of the judge who issued the writ and permitting another judge to hear it. Representative R. E. Buchanan sees merit in the proposed change and thinks there should be no great barrier between the courts and the people, affording all of the protection to the courts and none to the citizen. Representatives Guy Groff doesn't believe in a judge venting his spleen through contempt proceedings and Representative Lloyd Gandy says that the people have not given sufficient attention to the matter of electing broadminded, honest men to the bench.

NO CONSIDERATION OF TAFT'S MESSAGE TODAY

WASHINGTON, D. C., Dec. 21.—Declaring "calendar Wednesday" was "peculiarly sacred," Speaker Cannon refused to permit the immediate consideration of a special message to congress by President Taft. Less than 80 members were present, in spite of the fact that it was "calendar Wednesday." Most of the session was taken up with a discussion of the Moon bill for a revision of laws relating to the judiciary.

Taft's special message recommended the adoption of a law authorizing the president and the state of Texas officials to mark the boundary between Texas and New Mexico. The message was read and its consideration suggested, but the speaker objected. The senate adjourned at 2 o'clock. It will reconvene January 5. The message was read and its consideration suggested, but the speaker objected.

We will be glad to send you complete list of wine also. Please "Sunkist" and "Sunkist" wrappers for premiums. The orange is the most delicious and healthful fruit. California excels in quality of oranges. The best of the California oranges are now packed in individual wrappers labeled "Sunkist." Five thousand orange farmers in California do their own packing, shipping and selling. They grade and select their crop into "firsts," "seconds," etc. The firsts are fancy, tree-ripened, hand-picked, seedless, fibreless, thin-skinned oranges—every individual orange a perfect specimen of the finest variety of oranges. They are not only more healthful and more palatable than other oranges, but they are actually cheaper for they are merely all meat and nourishment. Your dealer sells "Sunkist" Oranges. Ask for them. You will know them by the tissue paper wrapper in which each "Sunkist" Orange is packed. On the wrapper note the label, "Sunkist." Keep all the wrappers. They are worth money to you. Best California Lemons Come in "Sunkist" Wrappers. You can judge lemons by the "clothes" they wear. If they wear "Sunkist" wrappers they are juicy and good, for they are not thick-skinned or seedy. They are just as fine as "Sunkist" Oranges, and their wrappers are equally valuable. CALIFORNIA FRUIT GROWERS' EXCHANGE 34 Clark Street, CHICAGO, ILL.
