Weird Things Expected.

Because of the political landslide many "statesmen" nominated as a joke without the slightest thought they would be elected, have been inflicted upon the country as lawmakers, and some weird and sensational things are likely to result in all

Illinois faces a legislative session that threatens to be marked by intense bitterness. The republicans with a seant majority, are split by factions and the speakership fight field. Chief among the legislative

acts to come up are the following: county; initiative and referendum; house adjoining, from, which they corrupt practices act, modernization of the taxing system; legislative reapportionment, county option, abolilenced the fire from within for a tion of minority representation, deep waterway, and numerous bills desired by union labor.
