

SEWER SYSTEM CENTRAL POINT

Water Main Extension and Street Paving Are Also Billed for This Year in Progressive Little City North of Medford.

One of the most important meetings of the town council ever held in Central Point was the special meeting recently, when the mayor and councilmen met with City Engineer Osgood to talk over informally the sewer proposition, as well as an extension to the water system.

While the proceedings were only looked upon as preliminary to the actual business of the coming year, they were particularly significant because of the fact that the entire council were shown to be in perfect accord with the mayor in undertaking a campaign of public improvements the like of which Central Point has never before known.

In the minds of the city officials, the question of installing a sewer system is no longer a matter of argument, but is now resolved to the routine proposition of working out the details and submitting the matter to the voters at the coming town election; because of the fact that the charter must be amended to permit further municipal improvements.

Mr. Osgood is now working on a report to be submitted to the council at an early date, which will give them an estimate of the amount of money required, when necessary steps will be taken to amend the charter to conform with the new requirements.

The proposed sewer system will in all probability be so constructed as to not only serve as a sanitary sewer, but also to take care of the storm waters which flood our streets with each heavy rain or melting snow.

The matter of extending the water system into the several additions which have not yet been given water service is also receiving attention from the engineer, and it is understood that provision will be made for giving the entire town sewers. This work, together with the paving of Pine street, will insure the busiest summer ever known in the history of Central Point.

REVOLUTIONISTS SEEK RECRUITS IN ARIZONA

HUACHUCA, Ariz., Jan. 27.—A Mexican recruiting officer, was reported today visiting towns in this vicinity endeavoring to get recruits for the Mexican rebel army. Cowboys along the border are said to be in sympathy with the insurrection and willing to join the Madero forces if well paid.

A former Arizona ranger has offered to organize 100 men for service in Sonora, it is reported. The rebels were ETAOIN NUNUNUNI Agua Prieta, and south of there rebels were reported active. It was said today that 500 cases of 30-30 rifle cartridges have been sold here within the last six weeks.

Madera has planned to push his campaign in Sonora, seizing all ports of entry, establish a new republic and seek recognition from the United States, it is reported.

WHAT CURES ECZEMA

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen as compounded in D. D. D., can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.

Because—We know that it gives instant relief to that torturing itch.

Because—D. D. D. starts the cure at the foundation of the trouble.

Because—It cleanses, soothes and heals the skin.

Because—It enables Nature to repair the ravages of disease.

Because—the records of ten years of complete cures of thousands of the most serious cases show that D. D. D. is today recognized as the absolutely reliable Eczema Cure.

Drop into our store today, just to talk over your case with us.

MEDFORD PHARMACY,
NEAR POSTOFFICE

To find a better furnished room—perhaps at even less rent than you now pay—is surely a task worth a few hours of your time. Arm yourself with some clipped ads—and start on a "little journey!"

Our Correspondents

EAGLE POINT EAGLETS.

(By A. C. Howlett.)

Last Saturday morning a number of young men—the Jacksonville basketball team—came out on the car and went to Butte Falls, where they were to play against that team. The excitement is increasing here continually on the subject of incorporating the town, or rather a part of it, and a number of the citizens feel sore over a slur that was thrown at them by some anonymous scribbler charging them with being old mossbacks because they differ as to the expediency of incorporating so small a part of the town and at such an early date.

There was quite a number of our citizens went to Medford last Saturday on account of the arrest of Thomas Edsall, a mere boy, charged with being implicated with John O'Connor in the pig swiping near Butte Falls. Among them were Mrs. Gippert and her son, Harris, and Wm. Taylor of Eagle Point.

Mr. A. B. Zimmerman and John Nichols went to Medford the last of the week. They are two of our business men who are working against the incorporation move.

Mr. Massy, one of the Butte Falls merchants was here after goods for his store the last of the week. While here he hired a man and team to haul a part of his goods as far as Brownsboro, so as to shorten his drives. The roads from Brownsboro to Butte Falls are very bad.

John Groff and wife of Newburg came in from Medford to spend a day or two last Saturday night. They were on their way from Los Angeles where they had been spending several months. They spent the day Sunday on the desert north of here looking for agates and other curios. They found quite a number of very pretty stones. Mr. Groff is a concrete contractor and spends his time at Newburg and Los Angeles.

Mr. A. Edler and his three daughters, Misses Hannah, Flora and Elizabeth, came out Saturday night, spent the night with us and the next morning went on to Medford to see his wife who has undergone an operation in the hospital.

Mr. Earle S. S. Smith, wife and Mr. Lawrence Muot Pittman came over Sunday morning and engaged me to take them across the desert via Table Rock station across the lower bridge of Little Butte creek up Rogue river and around on the desert north of Eagle Point just to look at the country. Mr. Smith is a banker and has a project on foot to open another bank in Medford.

Mr. Pittman is a mining engineer recently from Arizona. To say that they were delighted with the trip does hardly do justice to the subject, and Mrs. Smith could hardly tear herself away from the scenery.

CENTRAL POINT ITEMS.

Evangelist J. L. Davidson of Portland, is here to assist Rev. Habelton in the meetings at the M. E. church. The ladies of the M. E. church will have a bargain day sale Saturday, January 28. One can purchase fresh bread, cakes, pies and other dainties. Mrs. Belle Pissants and daughter, Mrs. Emil Brophy, were Medford visitors Wednesday.

The ladies of the W. R. C. have decided to have the campfire to be held in honor of the members of the G. A. R. February 7 at 7 p. m. The president of the W. R. C., Mrs. Rattel, assisted by the entire corps, are very busy these days getting up a good program and planning one of the best and most enjoyable entertainments ever held in Central Point.

Mr. Weber, wife and little son of Grants Pass spent Wednesday here, the guests of Mr. and Mrs. Cornelius.

Mr. Paxton, one of our orchard men, left for his old home, Butte, Mont., Wednesday night on a business trip.

Joe Wright spent Thursday at the bedside of his brother-in-law, Frank Amy, who is very ill.

They have promised to come back when the roads get good and have me take them up to Trail via Bybee bridge and back via the Fan ferry so they can see more of the country.

We have been having some changes in real estate here. Charley Thomas has bought two acres off of the Jones place and R. J. McQuaid and sons, N. C. and J. F., have purchased three acres off of the same tract. The McQuaids are going to build two houses on their land right away. They expect the lumber to be on the ground and work to commence on two of the buildings Wednesday or Thursday, and Mr. Thomas will build in the spring.

Mr. P. W. Williams of Butte Falls came in Tuesday evening and he informs me that he has started a new paper, "The Progressive" in that town that he will be the publisher, proprietor and editor, that he has purchased the printing plant at Central Point and expects to put out a readable paper, and he knows that we all wish him abundant success in his undertaking.

Glen Fabrick of Medford and his father-in-law, Mr. C. G. Roberts of Hood River came out Monday and had me take them up to Mr. Fabrick's place on Antelope creek.

Mr. A. L. Massey and wife of Portland came in Tuesday night on the train on their way to Butte Falls to meet his parents and other relatives.

ROOSEVELT TO VISIT VALLEY

If Plans of Manager Malboeuf Mature—Ex-President Due to Pass Through Here About April 1—Want Him to Stop Over.

Charles A. Malboeuf, manager of the Medford Commercial club, is already preparing to have Colonel Theodore Roosevelt spend several hours in the Rogue River valley when the ex-president passes through Medford about April 1 on his swing around the country. The colonel probably will be met at Ashland through the valley to Medford where he will regain his train. Plans have not as yet been matured but the ex-president will be persuaded to visit Medford if possible. Theodore Roosevelt's next tour will be begun here March 8 and will sweep around the boundaries of the country through the South Atlantic and Gulf states, the southwest, up the Pacific coast to Idaho and Montana and thence direct home. Roosevelt has accepted 15 engagements to make speeches and probably will make more.

March 22, he arrives at San Francisco, remains about 10 days and will deliver the Earl lectures, six in number, before the University of California at Berkeley.

He also will visit Portland, Seattle and Spokane. At the conclusion of his visit he probably will go to some place in northern Idaho, not named, then to Sand Point, Idaho, and then home.

PILES CURED IN 6 TO 14 DAYS.
PAZO OINTMENT is guaranteed to cure any case of itching, blind, bleeding or protruding piles in 6 to 14 days or money refunded. 50c. *

Perhaps most of your "bad luck" consists in failing to answer the want ads that contain opportunities for you.

Jess Freidenburg came out Tuesday after a load of tree seeds and other supplies for the government. He also spent the night with us.

Mr. A. P. Donahue a timber cruiser of Portland, also spent Tuesday night with us taking a horse from here to go up on Trail creek.

Will Hughes of Butte Falls was a guest at the Sunnyside Tuesday night.

Mr. J. I. Bacon, a brother of the conductor on the P. & E. R., also a traveling salesman for the Ideal Candy Co. of Portland, spent the night with us.

Perfectly Lighted

We are now wiring the Medford Furniture & Hardware Co.'s building, the largest in southern Oregon. When we finish it will be perfectly lighted and everything about the wiring will be perfectly safe.

See us about your wiring and feel safe for all time.

"Sunkist" Oranges The Finest Fruit Crown

This Genuine Rogers Orange Spoon FREE

Save 12 "Sunkist" Orange (or Lemon) wrappers and send them to us, with 1c to pay charges, etc., and we will present you with a genuine Rogers Orange Spoon of beautiful design and highest quality. Begin saving wrappers today. Send 12 "Sunkist" wrappers and 1c for each additional spoon.

In requesting, please send to state which the amount is less than 25c, or amount above 25c we prefer money order, express order or bank draft. (Don't send cash.) We will be glad to send you complete list of valuable premiums as well as longer both "Sunkist" and "Red Ball" wrap your list specimens.

The orange is the most luscious and healthful fruit. California excels in quality of oranges. The best of the California oranges are now packed in individual wrappers labeled "Sunkist."

Five thousand orange farmers in California do their own packing, shipping and selling. They grade and select their crop into "firsts," "seconds," etc. The firsts are fancy, tree-ripened, hand-picked, seedless, fibreless, thin-skinned oranges—every individual orange a perfect specimen of the finest variety of oranges. They are not only more healthful and more palatable than other oranges, but they are actually cheaper, for they are nearly all meat and nourishment. Your dealer sells "Sunkist" Oranges. Ask for them. You will know them by the tissue paper wrapper in which each "Sunkist" Orange is packed. On the wrapper note the label, "Sunkist." Keep all the wrappers. They are worth money to you.

Best California Lemons Come in "Sunkist" Wrappers

You can judge lemons by the "clothes" they wear. If they wear "Sunkist" wrappers they are juicy and good, for they are not thick-skinned or pithy. They are just as fine as "Sunkist" Oranges, and their wrappers are equally valuable.

CALIFORNIA FRUIT GROWERS' EXCHANGE
34 Clark Street, CHICAGO, ILL.

ALLEN GROCERY CO.
WARNER, WORTMAN & GORE**

The Death of THE OWNER

Enables us to offer what we honestly believe is the best bargain in a producing orchard in the valley. There are 35 acres in the tract and it is only a mile from a shipping station.

There are about 11 acres in apples, Ben Davis, Winesaps, Spitzenbergs, Newtowns. Trees are about 20 years old. They are in good condition and produce heavily.

There are also about 12 acres in standard varieties of peaches, in full bearing. About 8000 crates of peaches were shipped from this orchard last year.

There are also 8 acres planted to Newtown apples, which were three years old this winter.

The balance of the land is cleared and was in grain last year.

The buildings consist of a house, barn and packing house.

We think a reasonable estimate of the crop on this place this coming year would be 3000 to 4000 boxes of apples and 6000 to 8000 crates of peaches.

A team of horses and a full equipment of machinery goes with the place.

The price is \$15,000, a trifle more than \$400 an acre. The terms asked are half cash, balance easy. If you cannot meet these terms as to the cash required, make us an offer.
