ORDINANCE NO. 436.

An ordinance declaring the assess-

The city of Medford doth ordain as follows:

street from King street to Peach amount \$49. street, and to assess the cost thereof ter main on said part of said street per foot 9xc; amount \$49. and the assessment of the cost therefor as aforesaid;

And whereas, said resolution was ed by section 116 of the charter of

aforesaid, and said council having considered the matter and deeming that said water main was and is of r atorial benefit to said city, and that all property to be assessed therefor would be benefited thereb to the extent of the probable amount of the respective assessments to be levied against said property, did or

der said main laid; And whereas, the cost of said wa ter main has been and hereby is de termined to be the sum of \$1848.76;

Now therefore, it is hereby further determined that the proportion ate share of the cost of laying said water main of each parcel of propcrty fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each piece or parce of tand is benefited by the laying o said water main to the full extent o the amount so set opposite the des cription of the same, and that the respective amounts represent the proportional benefits of said water mai to said respective parcels of land and also the proportional frontag thereof on said street, and the coun cil does herely declare each of th parcels of property described belov to be assessed and each of the same hereby is assezzed the amount seopposite each description for the cor of laying said water main.
