NOTICE OF ELECTION.

Notice is hereby given that the following is a copy of the text and titles of those certain measures submitted to the city council of the city of Medford to the legal voters of said city for their approval or rejection at the special city election to be held by said city on March 10th, 1911, together with the numbers and forms in which the ballot title thereof will be printed on the official ballot.

ROBT. W. TELFER, Recorder, City of Medford.

Dated, February 21st, 1911. Charter amendments to the charter of the city of Medford, Oregon.

An amendment to the charter of the City of Medford providing for a Board of Registration and its duties and the registration of voters.

Section 138. There shall be appointed by the council not less than forty days before the date of holding any annual city election, a board of registration of three members, each of whom shall be a qualified voter of the City of Medford.

Before entering on their duties each of the members of said board shall subscribe to an oath and file the same in the office of the city recorder, to the effect that he will honestly and faithfully discharge the duties of said office to the best of his ability.

In any case any of the members of said board shall fail to qualify as aforesaid, or having qualified shall fail to perform the duties of said office, the council may appoint another to serve in his place.

It shall be the duty of said board of registration to sit as a board of registration from one o'clock until seven o'clock p. m., of each week day (holidays excluded) for ten days, beginning on the 20th day before the date of holding such annual city election.

Every qualified voter of the City of Medford desiring to register as a voter for the next ensuing election shall appear before said board and shall subscribe an affidavit setting forth that he is above the age of twenty-one years, and giving his place of residence, including the number of the house, if any, and if in a hotel, the room number, the length of time he has resided in the state of Oregon, in the City of Medford, and in the ward where he resides, and shall declare whether he is a native-born American citizen, and if not, the date and court in which he has declared his intention to become such citizen, or has been naturalized, and shall give any other information necessary to enable said board to determine that he is a qualified voter.

The board of registration may in addition examine said voter orally under oath as to any matters concerning his qualification as a voter.

The said board of registration shall prepare separate and full list containing the names of the electors so registered from each ward or voting precinct of said city, in duplicate, and shall post one copy of each of said lists at the front door of the city hall of said city, and one copy of each of said lists in said city as the council may by resolution determine, not less than ten days before the date of said election, and shall transmit to the city recorder of said city the remaining set of said lists; and the said city recorder shall keep the same in his office open to inspection at all times up until the day of election.

The council shall also order said list published in a newspaper published and of general circulation in said city, at least five days before the date of election.

The city recorder shall, before the opening of the polls on the day of election, transmit to the election judge in each ward or voting precinct, the poll list for the respective wards or voting precincts, and in the same shall be used by said judges in the conduct of said election, and opposite the name of each voter shall be marked the word "voted" as soon as he shall have cast his ballot.

Said board of registration shall sit at the places designated as aforesaid by the city council, on the day of election, and any qualified elector of said city who has not theretofore registered may appear before said board on said day for registration. He shall make and subscribe to affidavit hereinbefore provided for, and shall in addition produce three qualified voters, and freehold owners of said city, who are acquainted with his qualifications as an elector of said city, and they shall make affidavit to that effect and that they are personally acquainted with such elector and that the affidavit made by him is true of the facts therein set forth in the statement of place of residence and length of residence in said state and city is correct, and that they believe the same to be true in all other respects.

Said board of registration shall retain all of the affidavits and returns required by them and turn the same over to the city recorder of said city, and shall write thereon the word "Registered." They shall, upon registering any elector on election day, issue to him a certificate to the effect that the elector, as described in the affidavit, has been found to be a qualified elector of said city, which said certificate shall state the ward or voting precinct in which said elector is entitled to vote, and said elector shall, upon producing such certificate to the election judge, be admitted to vote.

The judges of election shall, upon the presentation of any such certificate, add the name of such voter to the poll list and shall give said name a number. As soon as said elector has voted they shall mark on the poll list the word "Voted" opposite the name of such elector and shall also indorse on said certificate the word "Voted," together with the number opposite elector's name on the poll list, and shall also write upon the ballot cast by said elector the words "Voted by" and shall also shall place thereon the said number opposite the name of the said voter on the

Submitted by order of the City Council.

400 Yes. 401 No.

An amendment to the charter of the city of Medford, amending section 72 thereof, authorizing the issuance of additional bonds by said city and for the creation of a sinking fund.

The people of the city of Medford to ordain as follows: That section 72 of the charter of the city of Medford be amended to read as follows:

Section 72. Powers and authority is hereby given the council, and the council is hereby authorized to borrow money on the faith and credit of the city, and to that end to provide for the issuance of warrants and bonds of said city for any purpose which in the judgment of said council is beneficial to the interest of said city, and to designate the manner and time of payment thereof, and the interest thereon, and to provide further that any issue of either bonds or warrants in excess of the limits hereinafter provided shall render the members of the council voting for any indebtedness in excess of such limit personally liable as individuals therefor, at the instance of any taxpayer of said city or other person interested in the debt or obligation so unlawfully created, by suit brought for the purpose of enforcing said individual liability.

Subdivision (a). The total amount of warrants and bonds issued, including all existing indebtedness heretofore created by the City of Medford for all purposes, whatsoever, shall not at any time exceed the total sum of \$100,000, except as hereinafter expressly provided. In determining the total amount of indebtedness under this provision, the total amount of warrants and bonds of said city outstanding, and not yet provided for in any other subdivision of this charter, together with the accumulated interest thereon, shall be held to constitute such total indebtedness hereunder.

Subdivision (b). In addition to the warrants and bonds authorized by the charter of the city of Medford, the council is hereby authorized and empowered to borrow money on the faith of said city, and for that purpose to issue warrants and bonds as above set forth, and for the sole purpose of extending and improving the existing water distributing system of said city, and of purchasing, establishing and maintaining standpipes and reservoirs, purchasing and laying water pipes and mains, connecting dead ends, carrying on investigations as to the possibilities of obtaining water for said city by means of wells, and of establishing an adequate water distributing system for said city, which warrants and bonds shall be termed water warrants and water bonds, but the total amount of warrants and bonds so issued as water warrants and water bonds shall not at any time exceed the sum of \$40,000, and in determining the total amount of indebtedness under this provision, the total amount of warrants and water bonds, together with the total indebtedness under this provision shall be included, but not the amount of any other bonds or warrants issued by the city of Medford, or any amount derived from the operation of the said water system, as a sinking fund for the retirement of such bonds at the maturity thereof, such proportion of gross revenues as the council may by ordinance designate from time to time, provided that at any time less than five per cent of such gross revenues.

Subdivision (c). In addition to the foregoing warrants and bonds, as authorized in the two preceding subdivisions of this section, the council is further authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 73. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 74. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 75. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 76. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 77. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 78. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 79. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 80. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 81. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 82. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 83. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 84. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 85. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 86. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 87. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 88. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 89. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

Section 90. The council is hereby authorized to borrow money on the faith of the city, and for that purpose to issue warrants and bonds for the sole purpose of further improving the water distributing system of said city, provided that the same shall be for the improvement of the water distributing system, and that the same shall be for the improvement of the water distributing system.

warrants and bonds for the sole purpose of securing, furnishing and installing a gravity supply of pure water for said city; but in the event that said council shall elect to secure, furnish and install a gravity supply of pure water as above mentioned, and shall issue warrants and bonds as provided in this subdivision for such purpose, the total amount of warrants and bonds so issued shall at no time exceed the sum of \$300,000, in addition to the warrants and bonds for the three preceding subdivisions, authorized, and in the event that such warrants and bonds shall be issued, such issue shall be in all respects subject to the provisions and restrictions of subdivision (b) of this section, except as to the maximum amount of such issue.

Subdivision (c) In addition to the foregoing warrants and bonds, as authorized in the preceding subdivisions of this section, the council is further authorized to borrow money on the faith of the City, and for that purpose to issue additional warrants and bonds for the sole purpose of making improvements in the water system of said City, and paying for trunk, sanitary and storm sewers heretofore or hereafter constructed by said City, the total amount of warrants and bonds so issued shall at no time exceed the sum of \$200,000, in addition to the warrants and bonds for the three preceding subdivisions, authorized, and in the event that such warrants and bonds shall be issued, such issue shall be in all respects subject to the provisions and restrictions of subdivision (b) of this section, except as to the maximum amount of such issue.

Subdivision (d) In addition to the foregoing warrants and bonds, as authorized in the preceding subdivisions of this section, the council is further authorized to borrow money on the faith of the City, and for that purpose to issue additional warrants and bonds for the sole purpose of making improvements in the fire department of said City, the total amount of warrants and bonds, so issued shall at no time exceed the sum of \$8,000 in addition to the warrants and bonds in the preceding subdivisions of this section, authorized, and in the event that such warrants and bonds shall be issued, such issue shall be in all respects subject to the provisions and restrictions of subdivision (b) of this section, except as to the maximum amount of such issue.

Subdivision (e) For the retirement of the bonds of the City of Medford, authorized by this section, there shall be created a sinking fund. The council shall levy a tax of not less than one-half mill, each year, upon all taxable property in the City, the proceeds of which shall be placed in said fund, there shall also be placed in said fund such proportion of the gross receipts of the water plants of said city, not less than five per cent, as the council may from time to time determine upon, it being made the duty of the city council to cause the five per cent of said gross receipts to be placed in said fund. Said fund may be invested by order of the council in any of the bonds of said city, including improvement bonds and water main bonds, said tax shall continue to be levied, and said proportion of the gross receipts of said water plants shall be placed in said fund until said fund shall be equal in amount to all the outstanding bonds and warrants of said city authorized by the other subdivisions of this section. Upon a maturity of any of said bonds such proportion thereof shall be paid from said sinking fund as the council shall determine upon, but such proportion shall in no case be less than the proportion which the amount in said sinking fund bears to the total amount of the bonds of said city outstanding, authorized by the other subdivisions of this section. When any of said bonds shall be retired by payment from said sinking fund, this section shall not be taken to confer any authority for the re-issuance of any other or further bonds in their place and stead.
