

K. S. MILLER IS MADE MANAGER

Fruit and Produce Association Appoints Former Secretary to Post of Manager—C. C. Scott Succeeds as Secretary.

Kirsby S. Miller, formerly secretary and treasurer of the Rogue River Fruit and Produce association was appointed to the management of that concern at a meeting of the board of directors held in this city Saturday. His place as secretary-treasurer was filled by the appointment of C. C. Scott, of Phoenix, to the post.

The vacancy in the directorate caused by the appointment of Miller to the management was filled by the election of H. T. Pritchard to succeed him. The meeting yesterday was a special meeting of the board, called by and presided over by Col. R. C. Washburn, the association's president. A number of private matters were disposed of and the appointments made.

C. W. Wilmeroth, formerly manager of the association whose appointment expired last December is now away from Medford, travelling, it is believed, on the continent of Europe.
