Prime Steers Bring \$6.75. Hogs \$8.75 Sheep \$4.75, Lambs \$5.85—All Receipts at Portland Stock Yards Cleaned Up.

PORTLAND UNION STOCK YARDS, Feb. 25.—The receipts on this market for the week ending today are as follows: Cattle, 1997; calves, 52; hogs, 1009; sheep, 6018; and horses, 6.

One of the features of the week was the strength of the cattle market, prime hay fed steers bringing \$6.75 and prices ranging around \$6 for medium grades. Buyers were ready to buy and everything cleaned up at satisfactory prices.

The hog market was in splendid condition. Scarcity of receipts and strong demand account for prices paid. Only 2 cars were sold on the open market, one bringing \$8.50 and the other, well finished staff weighing 2206, \$8.75.

Receipts in the sheep line were still large but prices seem to have found a level at the following quotations: good grain fed lambs, \$5.50 to \$5.85, wethers heavy \$4.50 to \$4.75, yearlings \$4.25 to \$4.60, ewes \$3.50 to \$4.00.

In the horse market demand continued good for drafters with an increased market for delivery and driving horses.

APPLES BRING HIGHER PRICES

Rogue River Ben Davis Net \$1.40. Newtowns, \$1.90; Winesaps, \$2.25 all f. o. b. Oregon—Northwestern Exchange Has Call for More.

The Northwest Fruit Exchange issues under date of Portland, Oregon, Feb. 24, the following: The best informed authorities agree that February will be another month of very heavy withdrawals from cold storage in the large eastern centers.

It is generally conceded that the soft, weak fruit has been cleaned up to a great extent, and as the demand continues satisfactory, the market is showing a great deal of strength. The call for Spitzenbergs, however, still shows rather unsatisfactory volume, and best Spitzenbergs are reported as selling in the New York market mostly around \$2.25, with some sales down to \$1.50, and a few sales of the very fanciest marks up to \$2.75 for favorite sizes.

The exchange has found that the most satisfactory demand continues to come from the middle and southwestern territory, which is undeniably short of good fruit. The peculiar situation has developed of re-shipment of northwestern apples from Chicago back to points farther west, and the exchange even had a request from Denver recently, for quotations on northwestern stock f. o. b. Chicago.

Since last report, the exchange has made the following sales, which serve to illustrate the strength of the market: Preferred 8981, from Phoenix, Rogue River Valley, Oregon, February 20th, 46 fancy Ben Davis, \$1.40; 422 choice Ben Davis, \$1.20; 189 choice 5 tier Bens, \$1.00; 35 "Culls", 90c; all f. o. b. Oregon, to a buyer in Georgia.

Preferred 5872, from Talent, Rogue River Valley, Oregon, February 21st, 47 choice red cheeks, \$1.35; 8 fancy Lauvers, \$1.40; 36 fancy Newtowns, \$1.90; 362 choice Newtowns, \$1.40; 25 fancy Ben Davis, \$1.40; 211 choice Ben Davis, \$1.10; 68 fancy Winesaps, \$2.25; 64 choice Winesaps, \$1.75; 41 fancy Gopitons, \$1.60; 41 choice Gopitons, \$1.35; 27 choice W. W. Pearmain, \$1.35; 8 choice Spitzenbergs, \$1.40. All f. o. b. Oregon, to a buyer in Texas.

These are top-notch prices, which are emphasized by the fact that the car contains 493 boxes of 5 tier fruit; balance mostly 4 1-2 tiers.

The exchange could sell a number of cars of apples to excellent advantage, and invites growers having a supply to list specifications at once.
