PURE RICH BLOOD

Chas. Stang Sells a Prescription that Means Vigor, Vim, Vitality

Because MI-O-NA causes the blood to get better and more nourishment it is at all times a valuable tonic. It puts vigor into the muscles, clears up the improperly nourished brain and makes strong nerves that will stand the severest test.

Men who feel that their vitality is slipping away; that the vim and energy that they formerly put into all their work is lacking; that ambitious impulses and clever ideas do not come as they used to—are the kind of men that need MI-O-NA.

These are the kind of men that a month's treatment will put in fine shape.

Besides being a peerless remedy

for indigestion MI-O-NA is a most pronounced tonic. It makes the skin clear and clean; it puts color in the cheeks and causes dull eyes to brighten.

If you have that blue, discontented feeling through the day and pass restless nights, trying unsuccessfully to get a refreshing sleep, take a month's treatment of MI-O-NA stomach tablets, and bring the sunshine into your life that health and happiness always bring.

MI-O-NA costs but 50 cents at Chas. Strang and druggists everywhere. Guaranteed to cure indigestion and immediately relieve all stomach misery, or money back.

Spring Has Come! Wake Up Some!

The bargain of the season is an eight-room house to be placed on good east front lot on high ground in the Nob Hill addition, on which, for a few days, we are able to make a snap price of two thousand dollars, payable half cash, balance to suit at 6 per cent. This is a hard-finished house, and the upper rooms will be just the place to board the school-marms when the new East Side schoolhouse is completed. The house will be placed in its new location for this amount. You will get nothing equal to this for the money for less than double in Medford.
