DO YOU KNOW? That NOW is the time to replace your old fence with a new one. That it will improve the appearance of your property fully FIFTY PER CENT if the fence is right and properly constructed. That The Page Wire Fence is best suited for the purpose, as it is made up of the best High Carbon Steel Wire that is found in fencing; in addition to this, it is the only fence which has the PAGE KNOT, and continuous cross wire to weave it together, hence it Is The Best Fence that money can buy or modern science produce. Owing to each line wire being coiled before the fence is woven, Page Fence is easily erected over hills and through dales, without the necessity of cutting and splicing. It is MADE at Adrian, Mich., and shipped by us in carload lots, direct from the FACTORY TO THE CONSUMER, thus insuring the greatest value at the lowest possible price. Let us show you why you should use Page Fence in preference to any other. We furnish, without charge, estimates on cost of fencing tracts, and contract to build fences complete. We will figure with you on any amount of fencing, from one rod to a carload. If you are wanting Fence, Gates, or either yew or cedar posts, let us figure with you.
