

POLK TO ISSUE NEW DIRECTORY

Boone Enters Into Agreement Withdrawing From the Field—Medford Printing Company Now Printing Jackson County Directory.

The confusion caused by two directory companies gathering information in Jackson county at the same time has been brought to an end by an agreement entered into between H. T. Hutchinson, manager of R. L. Polk & Company and Mr. J. B. Boone, whereby R. L. Polk & Company have taken over the interest of Mr. Boone and will publish a complete and accurate directory of Medford and Jackson county. The different towns and cities in the county have been thoroughly canvassed by Polk & Company force of men and the information and data is about complete. Work on the printing will be begun in a short time. It will be printed in Medford.

Medford and Jackson county have increased so in importance and population that R. L. Polk & Company expect to issue a directory of Medford and Jackson county annually hereafter, as is the custom in all large and important cities of the country. Copies of this directory will be sent to the directory reference libraries in the large centers of population all over the country, where it can be consulted by the large numbers of people daily consulting these libraries for detailed information regarding different cities and localities.

MEDFORD TIGERS CHEW 'EM UP

Local Aggregation of Ball Tossers Put Phoenix to the Bad—Local Boys Are There With the Goods When it Comes to a Baseball Game.

The Medford Tigers chewed 'em up Saturday afternoon in Phoenix to the tune of 12 to 2, and the youthful ball tossers of the city are jubilant today at winning the first of a series of games. To those who are not acquainted with the "Tigers" it may be explained that they are the young Americans who comprise the baseball team of the Sixth grade with headquarters in the local high school building. The youngsters put it on the school at Phoenix despite the fact that before the game could be played a long bike was necessary for gate receipts have not been large of late.

The score by innings:
Medford 2 1 0 2 5 0 1 0 1—12
Phoenix 3 1 2 0 1 0 1 0 1— 3

NEW THEATRE PLAN MAY FAIL

Stockholders Hold Meeting and Appoint Committee to Make One More Effort to Secure Needed Funds With Which to Go Ahead.

The stockholders in the proposed Medford theater held a meeting Saturday afternoon and after hearing the reports of various committees came to the conclusion that enough money has not been subscribed to start the proposition. The stockholders were discouraged to a certain extent but they decided to make another effort to secure the needed fund.

This week the committee will call on those who have not already subscribed and try to dispose of enough additional stock to assure the erection of the building. If they fail the matter will fall through for the time being, a fact which is to be deplored as Medford really needs an up to date theater.

The committee which will be active during the coming week consists of Asil Hubbard, Ed. Warner, C. A. Knight and A. H. Humphrey.

NO CAUSE FOR WAR WITH JAPS

American Ambassador O'Brien to Japan States That There is Really no Reason for a Clash With United States—No Excitement Justified.

TALK The Eye Nature's NO. 9 Masterpiece

By Dr. Rickert, Medford, Ore.

MAN can not make anything so wonderful or so necessary as the eye. In all the world there is no substitute for it. It can not be duplicated.

If you had a delicate instrument that was absolutely necessary for your welfare and happiness, would you take chances with its care and use?

If your eyes grow heavy, pain or blur; if you find it necessary to squint or frown to see well; if you have headaches or are nervous, you are taking chances with your eyes.

Come and consult me. Don't delay. You take no chances here.

nearly all the leading Americans in this country. Ambassador O'Brien said: "Let me assure you—and I ought to know something about it—that there is no cause under the sun why there should be distrust between the peoples of these two countries. There

are no questions of importance pending and no business being conducted diplomatically which should excite the suspicions or make the slightest trouble between the two peoples."

BE CHEERFUL

NO ONE PREFERS TO GIVE HIS ORDER TO A GROUCH.
NO ONE SELECTS A MAN WITH A GRIEVANCE TO MAKE A SALE.
NO ONE CHOOSES TO DO BUSINESS WITH A SOREHEAD.
A SMILE REMOVES OBSTACLES, OVERCOMES OBJECTIONS, INSPIRES FAITH AND PAVES THE WAY FOR BUSINESS.
CHEER SPELLS CONFIDENCE. CONFIDENCE SPELLS SUCCESS. MEN WHO SUCCEED ARE CHEERFUL.
GLOOM SPELLS TROUBLE. TROUBLE SPELLS FAILURE. MEN WHO FAIL ARE GLOOMY.
CHEER IS AN ASSET. GLOOM IS A LIABILITY. IT IS GOOD BUSINESS TO ASSOCIATE WITH MEN WHO ARE SOLVENT.
