

CITY NOTICES.

ORDINANCE NO. 474. An ordinance declaring the assessment on the property benefited for the cost of laying a 6 inch water main on Jackson street from Central Avenue to Vermont street and directing the recorder to enter a statement thereof in the water main lien docket.

The city of Medford doth ordain as follows: Section 1. Whereas, the city council did heretofore, by resolution, declare its intention to lay a 6 inch water main on Jackson street from Central Avenue to Vermont street and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and fix a time and place for hearing protests against the laying of said water main on said part of said street and the assessment of the cost thereof as aforesaid.

And whereas, said resolution was duly published and posted as required by section 116 of the charter of said city:

And whereas, a meeting of the council was held at the time and place fixed by said resolution, for the purpose of considering any such protests, but no protests were made or received by the council at the said laying of said water main or the assessment of the cost thereof as aforesaid, and said council having considered the matter, and deeming that said water main was in the public interest, and that the laying of said water main and the assessment of the cost thereof would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property did order said main laid.

And whereas, the cost of said water main has been and hereby is determined to be the sum of \$2,026.72. Now therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of property fronting on said portion of said street is the amount set opposite the description of each parcel of land below, and that each parcel of land benefited by the laying of said water main to the full extent of the amount so set opposite the description of the same, and that the respective amounts represent the proportional benefits of said water main to said respective parcels of land.

And also the proportionate frontage thereof on said street, and the council does hereby declare each of the parcels of property described below to be assessed and each of the same hereby is assessed the amount set opposite each description for the cost of laying said water main.
