Oregon Newtowns Bringing Three Dollars in English Markets, Strong Market, Fine Demand-Ben Davis at \$2.25 in New York.

Sgobel & Day issue the following under the date of New York, March 29.-Liverpool today is higher and the market as per cable from L. Connolly & Company, shows top prices of the campaign, as follows:

Newtowns, Watsonville, 41/2 tier,

9-6. Newtowns, Oregon, 12.

They add that the market is very

strong with a fine demand. The exports last week were: 12,-400 boxes.

This is 4,000 boxes less than went the week previous. Today, Wednesday, the Campania sailed with 3,600 boxes. We cannot find that any of our neighbors are shipping California Newtowns and so we are pretty sure that these are largely red apples from the northwest.

We sold one car of Washington apples, Missouri Pippins, at auction vesterday and made \$1.60 to \$2.40 with an average of \$1:85 and enclosed hand you catalogue. The extra fancy were very good with a nice color, but the fancy and choice were very lacking in color and all pretty small in size, so we really did very well.

At private sale the offerings are small, largely from Wenatchee, Some handsome Black Ben Davis, beauties, sold today \$2.25 but some quite or- FOR EXCHANGE-Medford and dinary stock from Idaho sold low at \$1.50 to \$1.60.

Weather now very fine.
