## BUTTE FALLS.

B. F. Morris has been clerking for Clapham & Wheeler during the enforced absence of Mr. Wheeler, who has been frequently called to the valley on telephone and store business.

Charley Edmonson has finished his logging contract and the pond is now full of logs for sawing purposes. A wheelwright of Portland is now on the ground overhauling the mill preparatory to its making a continuous run.

The mill company has a large contract for ties to be supplied the railway and it will require several weeks to fill the order.

There was a ball given on Saturday night which was well patronized and passed off pleasantly.

We must now have water and electric lights and our highways be put into presentable condition and we must evidence that we are progressive.

Some needed improvements have been made in and around the park and if we had water it could be made a most inviting and attractive spot.

The railroad will build a reservoir and beautiful depot just as soon as they can bring in materials for the work.

Mrs. Dooms and the child of Mrs. Ben Fredenburg have been quite sick, but are now much improved.

Manager Gerig and another from Medford came in Sunday to try their luck in our streams for the speckled beauties.

Mr. Cross of Ashland, with a helper, has returned to Butte Falls and already has started his building. He brought his wife and child with him.

Ed Walker and wife, Will Perry and family were visiting our town on Sunday.

Emerson Wheeler has returned from Medford.

Flour has taken a tumble with the advent of the railroad. It is now selling for \$1.85 and the merchants say they intend to sell it for \$1.50.

There is quite a demand for business property and homes and we expect a boom along this line during the present year.

John Wingham will, shortly, move nearer to his work in the vicinity of "Edsall's."

The Spencer Brothers are engaged in clearing a large tract of land for the mill company and are doing excellent work.

## EAGLE POINT EAGLETS.

By A. C. Howlett.

Last Sunday your correspondent took a trip to Antioch school house and just as I reached there found that the funeral services of Dr. Stanley, of Gold Hill, was being conducted by Rev. Jones of Central Point and Rev. M. C. Davis, the S. S. Missionary of the Congregational church. Dr. Stanley was one of the pioneers of the county, he having represented us for two terms in the lower house of representatives and two terms in the state senate. He came here as a practicing physician and there are now a vast number in Rogue River Valley who cherish his memory. He was about eighty years of age and leaves a daughter, Mrs. Josiah Hannah of Trull, and four grand children, beside a host of friends to feel their loss.

I am told that on Sunday there was a very interesting ball game here between the Jacksonville team and the Eagle Point boys, the score stood 19 to 14 in favor of Eagle Point. In addition to the ball team being at the Sunnyside there were enough came in for dinner to swell the number to thirty-four, beside our regular boarders, so you see that Eagle Point is a live place.

I understand that we are to have two more stores started in our town but this item will be explained more fully later.

Our city council met Saturday night and passed an ordinance ordering the erection of a town hall and a calaboose. Something that is a great need for the marshal as has no place to keep the unruly members of society and the council has to meet in any old place that they can find.

Mrs. Dave Edwards and Mrs. Walter Gardner, whose husband was killed in the train collision on the Pacific & Eastern Railroad last fall, came out last week to visit Miss Mable Wamsley. Mrs. Gardner is here. I understand, waiting for her case vs. the Pacific & Eastern Railroad company, for damages on account of the death of her husband.

I am requested to announce that the ladies aid society expect to have an apron sale and dinner on April 14th, the dinner to be served at the Eagle Point Hotel, charges not announced.

W. H. Bond, traveling salesman for James M. Herwan Company, Boston, Mass., manufacturers of "Her-

wans" U. S. Army shoes was pleasant caller Tuesday, also E. C. Van Houten, salesman for S. F. Bowster & Company of San Francisco, Cal. Also R. W. Powell of Fleschner, Mayer & Company, Portland, Ore. Also W. F. Bowen, architect of Ashland and W. H. Lilley, special representative of Sherman Williams Company, Portland, Ore. Also Hilliam Farms & Company, Ams Harbor Milk. Also another salesman by the name of R. M. Namad. These were all here for dinner at the same time and we had a jolly crowd, but this is but the starting point for our progressive town, we are, and expect to continue to do business here.

## CENTRAL POINT ITEMS.

## Might Be Dead Today.

Garden City, Kan.—In a letter from Mrs. James Hamner of this city she says: "I firmly believe that I would not be alive today if it were not for Cardui. I had been a sufferer from womanly troubles all my life, until I found that great remedy. I feel that I can't praise it too highly. Are you a woman suffering from some of the troubles to which a woman is peculiarly liable? If so, why not try Cardui, the woman's tonic? You can rely on Cardui. It is purely vegetable, perfectly harmless, and acts gently but surely, without bad after-effects. 'Twill help you. Ask your druggist."

# 3 MILLION ORANGES HERE

## Another Big "SUNKIST" Sale Lasting All Next Week, Begins Monday, Apr. 10

The biggest lot of oranges that ever came to this city has just arrived—THREE MILLION of them. They arrived by special Fast Freight direct from the big "Sunkist" fruit groves of California. They are the "Sunkist" brand, famed for their delicious flavor and health-giving properties. Each local fruit dealer is laying in a liberal supply of "Sunkists" and on next Monday morning all dealers will put on a Special "Sunkist" Orange Sale, lasting throughout the week.

California's Finest Oranges "Sunkists" are California's most luscious oranges—the choicest of each of 5,000 California Orange Farmers. They pack all their perfect oranges under the one name, "Sunkist," and ship them by special fast freight the day they are picked. The "Sunkist" is a tree-ripened orange, seedless and fibreless—never pithy—every "Sunkist" is firm, solid and sound. It is picked by a gloved hand. No orange that falls to the ground or becomes bruised or damaged in any way, ever bears the "Sunkist" name.

How to Serve Them Oranges are the most appetizing and nourishing food you can serve—at breakfast—in the sick-room—between meals—in salads, ices, sherbets and puddings. There is no limit to the number of excellent dishes of which "Sunkist" oranges form the basis. Buy a box of "Sunkist" oranges and your fruit dealer will make you a special price. You will find no trouble in keeping them as long as you want to, because "Sunkists" reach you in excellent condition.

Physicians Advise Them Leading physicians say that to counteract the effect of meat and other heavy foods we eat, one should eat oranges liberally. It is a universally known fact that orange juice is an excellent food for the brain cells and a tonic for run down nerves. No better laxative than sound, ripe "Sunkist" oranges can be found.

Cost No More Than Common Oranges "Sunkist" oranges are cheapest to buy because they are thin-skinned, fibreless and seedless. They are nearly all food and no waste. You lose money if you buy pithy, seedy, thick-skinned oranges.

Free Premiums for "Sunkist" Wrappers The "Sunkist" orange always comes in a "Sunkist" tissue paper wrapper that protects the oranges and retains all their tree ripened flavor. This name on the wrapper means you are buying, at a reasonable price, the finest orange of all. "Sunkist" wrappers should be kept and sent to us to secure, free, a set of genuine Rogers Orange Spoons, Dessert Spoons and Fruit Knives. The patterns are new 1911 styles, designed exclusively for us. They are as attractive and stylish as money can buy. All are Rogers quality, standard A-No. 1 plate and are fully guaranteed by the makers, Wm. Rogers & Sons. No advertising appears on any of our premiums.

Read on the right the description of these valuable premiums and how to get them.

"Sunkist" Lemons The best grade of lemons are now packed in "Sunkist" wrappers. By calling for "Sunkist" lemons, you avoid the kind that are thick-skinned, pithy and insipid. "Sunkist" lemons contain 50 per cent more juice than any other lemons. "Sunkist" lemon wrappers are accepted by our premium department.
