PORTLAND MAN IS PLEASED WITH CITY

Gerald Beebe, a well known business man of Portland, was in Medford Wednesday on behalf of the hardware firm of Beebe Bros. Both Mr. Beebe and his wife, who accompanied him, were delighted with the bustling activity and clean appearance of the town. They were especially impressed with the great number of modern business blocks just completed or under construction.

Mr. Beebe said that Medford was noted in Portland for its lively business men, and up-to-date methods of doing business. He stated that the stable business men of Portland had no sympathy with the real estate men's knocking of Medford's property values.

NEW COURTHOUSE FOR JOSEPHINE

W. B. Sherman Offers to Give Site and Erect \$50,000 Building if the County Will Deed Him Site of the Present Frame Building.

GRANTS PASS, Or., April 13.—The county court now in session, is taking up the matter of building a new courthouse. The present courthouse is too small for the needs of the county and as the country is rapidly settling up, a new courthouse is thought to be an absolute necessity. W. B. Sherman, the original booster of Grants Pass, appeared before the court and agreed to furnish a site and build a \$50,000 courthouse if the county would give him the site of the present building, located just at the edge of the business district, occupying a most slightly block. It is quite likely that a special election will be called to vote upon the question of a new building. The city of Grants Pass is also contemplating the building of a new city hall.

HOME TELEPHONE EXTENDING LINES

The south side of East Main street between Cottage and Roosevelt avenues is being excavated preparatory to the laying of a cable by the Home Telephone company. A trench is being dug just back of the curb line and the pavement has been tapped at the crossings to allow for excavation. Quite a force of men is being employed and the work is rapidly assuming businesslike aspects. This is only the beginning of an extensive system to be installed on the East Side by the company.

BROWN BOOSTS ROGUE VALLEY

Travels Back From Denver With Train Load of Colonists and Does Much Effective Work for City and Valley.

Traveling from the east in a colonist train and doing effective boosting work for the Rogue river valley, Arthur Brown, publisher of the Rogue Magazine, has returned from a brief trip to Denver, Colo., where he was called by the serious illness of his father. Mr. Brown states that he induced a number of the homeseekers to come to southern Oregon and that he was never so chagrined in his life as when he reached the state and in the Willamette found snow covering the ground. This, he asserts, comes as a retribution on his shoulders for so glowingly speaking of the climate of western and southern Oregon.

"In the railroad offices of Denver," states Mr. Brown, "I was told that fully 60 per cent of the colonists were coming to Oregon in preference to other states in the west. Oregon has been wonderfully advertised and all I had to do was say Oregon and then the questions piled up on me."

BURRELL TRACT SELLS FOR \$80,000

A. A. Schuchard of Seattle Is Heavy Investor, Securing Nearly 100 Acres of Noted Grove—Sale Made by Ware and Olwell.

Another large tract of the famous Burrell orchard has been sold, A. A. Schuchard of Seattle being the purchaser. The deal was consummated some time last week but was not generally known until the new owner arrived Wednesday to take possession.

The tract is said to contain a little less than 100 acres. Twenty-three acres are planted to Spitzenburg apples, and the rest is in pears.

The 23 acres has set a record for large production the last few years. The consideration is said to be \$80,000.

The portion purchased is the southeast portion of what remained unsold, several tracts having previously been sold of what was originally an entire section or 640 acres.

Mr. Schuchard was in Medford last winter and thinks he has one of the best orchards in the valley.

John D. Olwell of this city and J. H. Ware of Seattle were prominent in the promotion of the transaction.

BALL TEAM SOON TO GRANTS PASS

Local Pill Tossers Will Meet Team in Grants Pass Sunday — Curly Wilson Will Do the Receiving Act for Medford.

Court Hall's bunch of pill-tossers and slab artists will journey to Grants Pass Sunday and cross bats with the team from that place. The lineup will be the same as in the previous games except that "Curly" Wilson will do the receiving instead of Hill, who has severed his connection with the team. The boys are out for blood and expect to add another victory to their list.

Manager Hall has just refused an offer of a week's series with the Portland team, as he thinks the city is not large enough to hold public interest for that length of time.
