

GOVERNOR DIVIDES HIS PATRONAGE

From Baker to Clatsop, on the North, and to Klamath, South, He Has Scattered Appointments—Has Not Overly Favored Salem.

SALEM, Or., April 18.—With the representation of the state's affairs. All of Governor West's appointments have been made with the idea of giving every part of the state representation on administrative boards and commissions, as a list of them shows. Only a few appointments of Marion county men have been made, among them being Dr. Roy Byrd of Salem, physician at the penitentiary, a position that is not sufficiently remunerative to allow the appointment of any other except a Marion county man; Dr. F. E. Smith, superintendent of the school for the feeble minded; C. A. Parks, reappointed a member of the board of horticulture, and H. H. Hatch, appointed a member of the state board of agriculture, to succeed W. H. Downing of this county.

Governor West's appointments follow: Agricultural board—George H. Warren, Clatsop county; H. H. Hatch, Marion. Barber examiners—T. M. Leabo, Multnomah. Dental examiners—H. S. Kennedy, Wasco. Medical examiners—H. L. Henderson, Clatsop. Pilot commissioners—F. J. Taylor, reappointment; Clatsop; James Monks, Multnomah; John Koop, Clatsop. Board of health—C. Smith, Multnomah; A. C. Kinney, Clatsop; C. J. Smith, Umatilla. Board of higher curricula—J. R. Wilson, Multnomah. State land agent—T. A. Rinehart, Union.

Printing expert—R. A. Harris, Polk. Penitentiary physician—Roy D. Byrd, Marion. State board of horticulture, all reappointments—C. A. Parks, Marion; R. H. Weber, Wasco; Judd Geer, Union. Superintendent of penitentiary—C. W. James, Baker.

Fish and game commission—W. L. Finley, Clackamas; M. J. Kinney, Multnomah; one to be from Umatilla, one to be from Klamath. Panama fair commission—Julius Melser, Multnomah; Lee Travis, Lane; F. B. Bodinson, Baker. State architect—W. C. Knighton, Multnomah county.

Dr. P. Fitzgerald of Gervais, Marion county, was elected superintendent of the Open Air sanatorium by the board of commissioners, composed largely of Portland physicians. W. C. Elliot of Newberg was selected by the state board of forestry. Asible from those named, James R. Linn, a Salem man, was appointed a member of the parole board, together with John Minto, who was once a resident of Salem, but has been a resident of Portland for the past 25 years, holding positions of chief of police and postmaster there.

Lively Election at Oakland. OAKLAND, Cal., April 18.—The municipal primary election is being held here today and 59 candidates anxiously await the result. The election is the first under the new charter. The campaign has been lively and the vote, it is predicted, will be the heaviest ever polled in Oakland.

Chief interest centers about the mayoralty race, for which there are five candidates. These will be narrowed down by today's primary and but two will be voted on at the general election May 2.

Mayor Frank K. Mott is generally conceded to have the advantage over his opponents. The other candidates are Dr. F. F. Jackson, Thomas Booth, M. K. Miller and H. C. Chivers.

Ashland Claims Egg Record. The findings of April 12 contained an account of a "new egg record" established for Klamath county. The record was 256 eggs from 15 ordinary hens (six of which did not begin laying until after the first week) for the month of March.

O. O. Helman of Ashland says this may be a record for Klamath, but it won't stand for Jackson county. He tells us he has a pen of 16 S. C. White Leghorn pullets that began laying in October, 1910, and have continued to lay through the entire winter. They are still at it. Their record for March was 371 eggs. There was no record kept until December. In that month they laid 205 eggs, in January 245, and in February 261.

Governor Vetoes Racing Bill. DENVER, Col., April 18.—Taking the stand that the bill is in violation of the constitution and moral law, Governor Shafer today has vetoed the racing and boxing bill passed by the legislature last week.

An Appeal to Wives. No more terrible affliction can come to any home than the excessive use of intoxicants by husband or son. Think of the money wasted in drink which is needed in the home to purchase food and clothing. If you have a drinking husband or son, give him Orzine. We are so sure that Orzine will do what is claimed for it, that if after a trial no benefits are derived from it, we will refund the money.

ORZINE is prepared in two forms. No. 1, secret treatment, a powder, absolutely tasteless and odorless, given secretly in food or drink. ORZINE No. 2, in pill form, is for those who desire to take voluntary treatment. ORZINE costs only \$1.00 a box. Write for Free Orzine Booklet (mailed in plain sealed envelope) to ORZINE CO., 63 Orzine Building, Washington, D. C. ORZINE is recommended and is for sale in this city by Leon B. Haskins, 214 East Main St., Medford, Or.

The Ladies aid had their apron sale and dinner last Friday and realized just \$39, and that was all profit, as the dinner and aprons were donated by the ladies of the town. As I was on the grant list I did not attend, but those who were there report having had a fine dinner and a good time.

SECRETARY TO BE OREGON MAN

No Person Now Residing Outside of State Will Be Considered by Commercial Club Directors to Fill Vacancy Left by Malboeuf.

The next secretary of the Medford Commercial club will be an Oregon man, in so far as interests and residence are concerned, the directors of the club at Monday night's meeting having passed a resolution to that effect. There was some talk of sending east for a man, but this has been barred. A man in touch with the spirit of the present west is thought to be most valuable.

The directors of the club postponed definite action in the choosing of a new secretary for a week. Seven applications were tendered, all of which were taken under consideration. The applicants are F. O. Probst of Ashland, George E. Bouse, Hal Conrad, Blaine Klum, Ed Andrews, Will G. Steel and Harry H. Hicks. Ira Dodge, who was prominently mentioned for the place, did not apply, withdrawing owing to his other interests.

WASHINGTON, D. C., April 18.—Informal notice was received at the White House today that Mexico will soon advise the United States of "definite restrictive policy on the border." An official note is expected this afternoon. It is believed President Diaz will suggest that the United States agree to a neutral zone ten miles wide on the border where there shall be no hostilities. The insurgents probably will be consulted as to the proposal.
