Exports From Various American and Canadian Ports Have Decreased-Recapitulation of Exported Apples by Company

440,926

the Rockies and many parts of Colorado. New York kept her supplies up to
the average through drawing large lots
from the Virginias, where they have
gone into extensive planting during the
past decade. It will be seen that Boston and Portland combined are abouequal for two seasons. From my own
personal observation, Massachusetts and
connecticut, that was for many years
a 'by word' among the fruit from other
states, will in the future have to
states, will in the future have to
the reckoned with. Growers there are taking more pains with their orchards, until today the quality is equal to some
of the beat in New York state.

"Attention is called to the failing off
from Montreal, Hallfax and St. John of

from Montreal, Halifax and St. John of room, from Montreal, Halifax and St. John of over 800,000 barrels. Last year's warm Third ward—City hall. The following is bereby designated as March followed by bad weather in May the place in the territory hereinbefore accounts for this. Otherwise, Nova described at which the polls will be over 800,000 barrels. Last year's warm March followed by bad weather in May the Scotia alone, with her increasing acreage, expected 1,000,000 barrels. This year things are reversed. They still have cold weather and their season is fully four weeks later than last. It is said their trees are looking well, and, having had light crops last year. Canadian ports are expected to ship this year 2,000,000 barrels, or 700,000 more than two years ago.

Residence of N. Brophy:

The following are bereby appointed and decks of soid election:
First ward in said city—J. W. Ling. Judge: L. L. Damon, Judge and clerk;
Second ward in said city—J. H. Bellinger, judge: Wm. Ulrich, judge and clerk: Charles Talent, Judge and clerk. Third ward in said city—P. W. Chelgren, judge: J. T. Summerville, judge and clerk: H. H. Lorimer, judge and two years ago.

"Further attention is called to the remarkable increase in far western boxes. the largest in any previous season exported being 520,000 boxes. This indus-try started in 1885, and my firm sold the first car that ever was shipped to Eng-land. The total growth this year has been reckoned about 15,000,000. Each learn the started in 1885, and my firm sold the first car that ever was shipped to Eng-land. The total growth this year has been reckoned about 15,000,000. Each learn the started in 1885, and my firm sold the learn the started in 1885, and my firm sold the learn the started in 1885, and my firm sold the learn that ever was shipped to Eng-land. The total growth this year has learn the started in 1885, and my firm sold the learn that ever was shipped to Eng-land. The total growth this year has learn the started in 1885, and my firm sold the learn that ever was shipped to Eng-land. The total growth this year has learn the started in 1885, and my firm sold the started in 1885, and my firm sold the learn the started in 1885, and my firm sold the started in 1885, and my firm sold the started in 1885, and my firm sold the started in box when sent to New York pays the railway 50-cent freight. At the present time everything west looks well for good crops. Colorado that only had 2500 carbonic last season, has already come out with the statement that they expect 10,000 this season. This would mean 8000 carbonic tracts laid out during the past ten years, which are now coming into bearing, looks like 28,000,000 to 30,000, 600 boxes next season, and it remains to be seen if these quantities will be able to stand the present railway charge.

"All barrels of apples have sold at good prices, but boxes have sold at good prices than they have in their history.

"Against Annexation" or words equivalent thereto.

Resolved further, that notice of all the matters herein set forth be given by the following from resolution for four weeks prior to said election in the ded for four weeks prior to said election.

The foregoing resolution was passed on the territory above described, and in four public places in the territory above described and in the territory above described and in the territory and in the territory and in four public places in the territory above described and in the territory and in four public places in the territory above described and in four public places in the territory above described and in four public places in the territory above described and in four public places in the territory above described and in four public places in the territory above described and in four public places in the territory box when sent to New York pays the alent thereto. prices than they have in their history

particularly those grown under irrigation. Some of these have arrived in Eurape in lad condition, proving that fruit grown under irrigation has poor carrying quality-too much water in the fruit, and as the American government is expending some \$25,000,000 on irrigation, this season's lessons may be of some value. We are continually bein gasked about fruit growing in the west by parties who have read glowing descriptions of the real estate dealers. We trust they Every citizen, man or woman has sions from this report."
