Medford, Ore., Feb. 6, 1911. This is to certify that about November 1 my daughter was taken with a severe attack of rheumatism which rendered her left arm useless, in fact it was so near paralyzed that she was not able to move her fingers, but knowing of some of Dr. Chow Young's marvelous cures of long standing cases of rheumatism, we decided to consult him, in which I am pleased to say made no mistake, as his remedies acted as he claimed they would and after the third treatment the rheumatic pain entirely left her and she has not had any symptoms of rheumatism since; besides her general health is much improved and I do not hesitate in saying I believe those afflicted with rheumatism or paralysis will do well to consult Dr. Chow Young, whose house is corner of Third and Front street, Medford, Oregon

CITY HALL NOTES

Much business of a routine nature was transacted by the city council at its meeting Tuesday night. Among other things the city dads:

Overruled a protest filed regarding the laying of a water main on East Main and passed the ordinance.

Listened to a report of the superintendent of city water system, which shows the system to be in a splendid shape.

Issued liquor licenses to Gill, Vogelt & Gill, to Herrington and to the University club.

Passed an ordinance for a 4-inch sewer lateral on Sherman street from Oregon to Stark.

Passed a resolution to lay a 4-inch water main on Stark street from Main to Sherman.

Passed an ordinance to lay a 6-inch lateral sewer on Stark street from Washington to Sherman.

Passed an ordinance to lay a 6-inch sewer on Niantic street from Alice to Manzaneto.

Passed an ordinance to lay a 6-inch sewer on South Peach from Eleventh to Dakota avenue.

Anordinance to lay a 6-inch lateral sewer on Sherman street from Geneva to Stark.

Referred a petition to lay a 4-inch water main on Ninth street from Taft to Summit, to a special meeting.

PLEASE GET IT.

Persons having valuable articles in the vault of the First National bank are requested to get the same, as the building and vault of the bank will be torn down at an early day to make room for the NEW BANK BUILDING. This request does not apply to persons having safety or other boxes in our vault.

24 FIRST NATIONAL BANK.

Switch a Success.

W. E. Johnson of this city is in receipt of a letter from the Howard Automatic Switch Company, stating that their switch is a success. A number of Medford gentlemen are interested in the company and are congratulating themselves on having brought stock as it has risen from a value of $4 a share to a higher figure.

A model of the switch was on exhibition in Medford about a year ago and attracted considerable attention at that time.

The Welch Electric lines, running out of Salem have taken over the device and are using it over their entire system.

In principle the device is automatic, being operated from the cab of a speeding railroad engine, by air pressure, thus doing away with stopping to operate switches.
