Old Guard Leaders in the Senate, Closely Allied With Senator Lorimer, May Attempt to Blacken Reputation of Senator Works

WASHINGTON, D. C., April 22.—Old guard leaders in the senate, said to be closely allied with Senator Lorimer, are preparing today to have charges preferred against the manner of the election of Senator John D. Works, the new insurgent republican from California and B. F. Shively, democrat, of Indiana.

The men behind the movement contend that Works' election was in violation of the California law which provides that persons carrying the largest number of legislative districts at the popular primary shall be recommended to the legislature for election. It was contended that A. G. Spalding carried more legislative districts at the primary than Works.

BOY FALLS AND BREAKS HIS LEG

Leighton Gribble, the 12-year-old son of Mr. Gribble, who resides just east of the Pacific & Eastern depot, had a leg broken Friday evening about six o'clock while riding a bicycle near the intersection of Cottage and East Main streets.
