Pendleton Man is President of New Fish and Game Board-Kelley of Eugene Formally Elected as

COMMISSIONERS INVITED TO VISIT ROGUE RIVER

Definite Hatchery Policy Has Not Been Decided Upon-Will Aid Southern Oregon.

SALEM, May 23 .- The first session of he new state game and fish commission. which has charge of the fish and game interest of Oregon was held yesterday and today. The commission organized by electing Cranson of Pendleton presi dent and W. L. Pinley of Jennings Lodge secretary. George L. Kelly of Eugene was formally elected as fifth member, the other members of the commission being C. F. Stone of Klamath Fall and M. J. Kinney of Port land. Will Betain Clanton.

Edward Clanton will be reelected mast or fish ward and remain in charge o are several candidates for the position of game warden and a selection at this time is improbable. It is likely that the present game warden, R. L. Stevens will remain in charge, at least until the

expiration of his term in July.

The commission listened to a number of talks from different people, most of them being in regard to appointments as game or fish warden. Over 150 ap-plications are on file with the commis-

Invited to See Rogue.

G. Putnam appeared before the com-River Fish Protective Association and requested the cooperation of the com-mission in trout hatchery work to re-stock the Regue river and its tributar-ies, the establishment of a trout hatchery on the Big Butte or one of the other tributaries, and the construction by the state of a new fishway at Gold Ray of the west end of the dam. He invited the commission, in behalf of the association to visit the Rogue river and in Lifts Her Into Machine and Hast- spect conditions, and the members agree to visit this section later. The commis sion promised its cooperation in South-ern Oregon.

A definate policy regarding hatchers work has not been decided upon, but it is probable that a large central trout hatchery will be established in the Klamath country, where eggs will be col-LONDON, May 22 -After an automo-tic accident loday in which the royal established in other sections, where the ar ran down and severely injured a trout eggs will be hatched and liberated Mr. Finley drew the fo
